NJSPB Benefits From Internships

- * The agency is provided talented students who bring new knowledge and skills to the workforce;
- * Internships are designed by NJSPB to meet agency needs;

Student and School Benefit from Internships:

The NJSPB seeks to develop and maintain relationships with colleges and universities throughout New Jersey to help promote internships and determine what schools are looking for in a work-learning experience.

- * NJSPB Internship Program makes academic studies more relevant by offering students the opportunity to put theory into practice;
- * NJSPB Internship Programs allows students to experience tentative career choices;
- * NJSPB Internship help students earn academic credits;
- * NJSPB Internship help students begin to establish a professional network; and
- * NJSPB Internship provide opportunities for students to receive professional mentoring from seasoned professionals.

- * Internships can be part-time or full-time and last as long as one year;
- * Internships continue to promote our positive image to the public, policy makers and our internal and external stakeholders

Prior to beginning an internship students must:

1. Complete the application packet including background check information;
2. Read and understand the rules of responsibilities governing participation as an intern;
3. Review the agency's policies and practices;
4. Attend the mandatory orientation training;
5. Return forms requiring signatures;
6. Complete a criminal background check including finger printing;
7. Receive a temporary I.D. That must be worn at all times.
