

Get the Catch...

Three Film Documentaries About Seafood In New Jersey

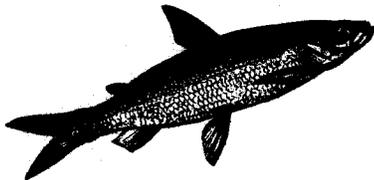

► *Co-produced by:*

The New Jersey Department of Agriculture, Division of Rural Resources and New Jersey Network.

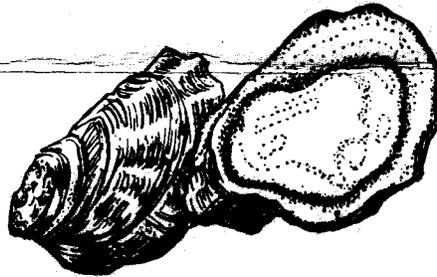

GIANTS OF THE DEEP

Giants of the Deep offers a behind-the-scenes view of the life of the long-line fisherman out of Barnegat Light, New Jersey. Follow the crew of the "Karen L" on their two-week voyage in search of swordfish, shark and tuna. (30 minutes)

► *Available:*

For Purchase or Rental on ½" VHS, ¾" Video Cassette or 16mm film.

NEW JERSEY SEAFOOD

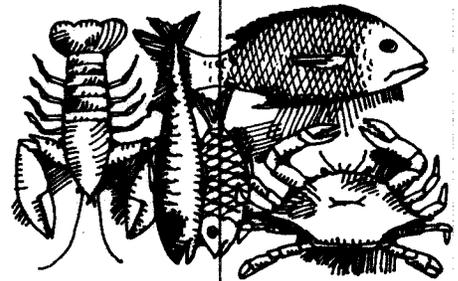

This film explores the *other* garden of the Garden State—the bounty from the sea. From harvest, to processing, marketing and finally to the table, this is the story of New Jersey fresh fish and seafood. (30 minutes)
