Content Note

These records were originally in Civil War binders #221-222. The series contains lists of Civil War soldiers from New Jersey buried at various local and national cemeteries. They are organized alphabetically by state, and thereunder by location or name of cemetery. Lists which include burials in more than one state have been filed under the first state (alphabetically), with cross references added in the folder list below for each additional cemetery.

In the following cases, Stryker's *Record of Officers and Men...* reports different burial locations than those indicated in these records:

<u>Location specified in records</u>	<u>Stryker's location</u>
Point Lookout, MD	Arlington, VA
Portsmouth Grove, RI	Cypress Hill, NY
Belle Isle, VA Richmond, VA	
Meade Station, VA	City Point, VA
Petersburg, VA	Poplar Grove and Richmond, VA

Several miscellaneous lists round the collection: national cemeteries burial statistics (folder 38); burials at sea (folder 39); death/burial lists for Colored troops (folder 40); deaths of New Jersey soldiers in various prisons (folder 41); and a corrected draft of the burials section of William S. Stryker's *Record of Officers and Men of New Jersey in the Civil War* (folder 42).
