Content Note

Described below are some of the document types found in this series. Researchers should note that the vast majority of service/recruit files contain only one or two items. These records were originally filed in Civil War binders #229-245.

- *Certificates of Recruiting Officer.* These record: the sailor's name, rank, and term of service; the municipality or congressional district credited; the date and place of rendezvous; and the name of the mustering officer.
- *Statements of Naval Recruits* [muster certificates]. These record: the sailor's name, date of recruitment, city of residence, age, occupation, birthplace, and signature or mark; and the names of the examining surgeon and mustering officer.
- *Receiving Ship Recruit Receipts.* These record: the ship name and receipt date; the sailor's name and enlistment date; and the commanding officer's name.
- *U.S. Naval Rendezvous Certificates.* These record: the place and date of rendezvous; the sailor's name, rank, and term of service; the date shipped [certain versions only]; the municipality credited; and the signature of the commanding or recruiting officer. [NOTE: May also include notations containing spouse or discharge information].
- *Naval Rendezvous Records.* These record: the rendezvous date; the sailor's name, term of service, rank, residence, birthplace, age, and occupation; the municipality or congressional district credited; and the names of the examining surgeon and mustering officer.
- *Sailor Depositions* [Brooklyn]. These record: the sailor's age and signature or mark (he attests that he is sober and not bound in service to anyone).

- *Descriptive Lists* [rare]. These record: the date; the sailor's name, enlistment/shipping date and place, term of service, rank, birthplace, age, occupation, eye color, hair color, complexion, height, scars/marks, years in service [certain versions only], and pay rate when last discharged [certain versions only]; the municipality/congressional district credited; the name of the current ship and the ship from which the sailor was transferred [certain versions only]; and the name of the reporting officer.
- *U.S. Receiving Ship Agent Pay Receipts* [at time of enlistment]. These record: the name of the vessel; the date; the name of the pay agent; the amount of pay; and the signatures of the sailor and a witness.*Ship Attachment/Service Certificates*. These record: the sailor's name; the ship name; the date; and the name of the commander or reporting officer.
- *Service- or pension-related correspondence, affidavits, notes* (usually post-war). These are often letters from family members seeking proof of naval service, or notes made by the Adjutant General's Office.
