Dear Vendor Partners,

We have deployed New Jersey’s first-ever Vendor Portal in NJSTART. So what does that mean for you?

Instead of asking you to complete and submit the same lengthy forms that the State has required based on statutes for decades, we now let you complete, store and update them in your very own secure file on our system at www.njstart.gov. These forms include:

- Ownership Disclosure;
- Disclosure of Investment Activities in Iran;
- MacBride Principles;
- Disclosure of Investigations and Other Actions Involving Bidder;
- Source Disclosure; and
- Chapter 51/Executive Order 117 Vendor Certification and Disclosure of Political Contribution.

We have even shortened some of these forms to make it easier. By checking Certification boxes within the Vendor Profile, you will now get a shorter version of these forms. These Vendor Certifications include:

- Ownership Disclosure Eligibility;
- Non-Inclusion on Chapter 25 List;
- Investigations and Other Actions Involving Bidder; and
- Source Disclosure.

This is what you requested. We hope this makes things easier. Please let us know.

Looking forward,

Jignasa Desai-McCleary
Director
