If a review of orders placed by DSS reveals that material other than that covered by the contract has been ordered and delivered, such delivery shall be a violation of the terms of the contract and may be considered by the Director in the termination of the contract or in the award of any subsequent contract. The Director may take such steps as are necessary to have the items returned by the DSS, regardless of the time between the date of delivery and discovery of the violation. In such event, the contractor shall reimburse the State the full purchase price.

The contract involves items, which are necessary for the continuation of ongoing critical State services. Any delay in delivery of these items would disrupt State services and would force the State to immediately seek alternative sources of supply on an emergency basis. Timely delivery is critical to meeting the State's ongoing needs.

5.10 REMEDIES FOR NON-PERFORMANCE

In the event that the contractor fails to comply with any material contract requirements, the Director may take steps to terminate the contract in accordance with the State administrative code. In this event, the Director may authorize the delivery of contract items by any available means, with the difference between the price paid and the defaulting contractor's price either being deducted from any monies due the defaulting contractor or being an obligation owed the State by the defaulting contractor.

5.11 All products must conform in every respect to the standards and regulations established by Federal and New Jersey State laws.

5.12 All products shall be manufactured and packaged under modern sanitary conditions in accordance with good commercial practice.

5.13 All products are to be packaged in sizes as specified in this RFP and shall be packaged in such a manner as to insure delivery in first class condition and properly marked for identification. All shipments must be comprised of original cartons associated with the commercial industry represented by the actual product contained within each carton. Deliveries containing re-used, re-labeled, re-worked or alternate cartons are subject to rejection by the Using Agency at the contractor's expense.

5.14 All weights are net weights. DSS weights shall govern. DSS official weight scales are maintained by the Quality Assurance Unit and shall be used to record weight data.

5.15 All products are subject to final acceptance at point of delivery. Rejected shipments are the responsibility of the contractor and must be removed from DSS premises at the contractor's expense.

5.16 If circumstances beyond the control of the contractor result in a late delivery, it is the responsibility of the contractor to immediately make the details known to DSS in writing: DSS, P.O. Box 234, West Trenton, New Jersey 08625; Fax: (609) 530-4582. DSS reserves the right to cancel all or part of any such order and purchase the product elsewhere, charging any price increase and cost of handling, if any, to the contractor.

5.17 If the contractor fails to deliver by the specified delivery date, DSS reserves the right to cancel the portion of the order which the contractor has failed to deliver within the specified time and to purchase that item or items elsewhere, charging the increase in price and cost of handling, if any, to the contractor. In the event of a contract cancellation for cause, DSS reserves the right to cancel all outstanding orders and purchase the product elsewhere, charging any price increase and cost of handling, if any, to the contractor.

5.18 The State reserves the right to test the delivered product during the contract term to ensure that it meets the contract requirements. If the product fails to meet contract requirements, the delivery shall be rejected and must be replaced within a period of time considered reasonable by DSS. If said replacement is not made, DSS
reserves the right to purchase the product elsewhere, charging any increase in price and cost of handling, if any, to the contractor.

5.19.1 Items that are floor loaded upon delivery must be transferred to 48 x 40 four (4) way grocery pallet by the carrier truck driver before delivery will be accepted.

5.19.3 Pallet exchange is available.

5.19.4 Segregation of product is required.

5.19.5 Palletization or re-palletization shall be the sole responsibility of the delivering carrier, and no additional charges will be paid by DSS for this procedure.

5.20 The cargo section of the delivery vehicle must be totally free of garbage, refuse, trash and other cargo matter that may be involved in the development of pathogenic or toxigenic micro organisms that could possibly cause undesirable deterioration of the product. The cargo section of any delivery vehicle must be free of all obnoxious odors that may migrate into the product or the product packaging rendering the product unsaleable. Presence of any of these conditions will be cause for complete rejection of the delivery. In such event, DSS may avail itself of the remedy afforded it under Section 5.17.

5.21 Damaged Goods Upon Delivery: shipments containing damaged goods may be either partially accepted by DSS (with damaged goods rejected) or totally rejected by DSS depending on the severity of the damage. The carrier truck driver will bear sole responsibility for any "re-working" of palletized damaged goods for the removal of any damaged goods from acceptable goods. DSS will not be responsible for any additional costs associated with this procedure. This will apply to all carriers and all deliveries. It is the responsibility of the contractor to communicate these requirements to the carriers it employs for deliveries to DSS. In such event, DSS may avail itself of the remedy afforded it under Section 5.17.

5.22 Closing Time: The DSS receiving unit closes at 3:00 p.m. daily. All deliveries must be completed by 3:00 p.m. Trucks attempting to deliver goods near 3:00 p.m. may be rejected if load cannot be completely unloaded by 3:00 p.m.

5.23 Unloading Time Limit: once started, the unloading process may not extend beyond a four (4) hour time period due to palletization, re-palletization or re-working of pallets for removal of damaged goods. Partial acceptance or partial rejection may result after this four (4) hour unloading period has expired. In such event, DSS may avail itself of the remedy afforded it under Section 5.17.

5.24 Packing Slip Requirement: all deliveries must be accompanied by a packing slip indicating the name of the contractor and valid DSS purchase order number. Deliveries not properly identified may be rejected and returned at the contractor’s expense.

5.25 Special Instructions: from time to time DSS may issue special shipping instruction to the contractor which will supersede the requirements listed above. These special instructions will be relayed to the contractor at the time that order is placed and may affect block patterns or carton marking.

5.26 Carton (Case) Marking Requirement: all shipping cartons shall be marked in accordance with Federal Standard No. 123f as amended, and as modified by these terms and conditions. All cartons must be plainly marked on any two sides so that palletized cartons may be easily identified. In addition to bid specification requirements, the following must be included:
Cartons not complying with all marking requirements at time of delivery will be refused and returned at contractor's expense. No post delivery of cartons will be permitted at the DSS warehouse or dock.

5.27 Combined Deliveries: The contractor must not combine deliveries of items with various scheduled delivery dates, unless authorized by DSS. 4.1 PRICE FLUCTUATION DURING CONTRACT - Unless otherwise noted by the State, all prices quoted shall be firm through issuance of contract or purchase order and shall not be subject to increase during the period of the contract.

In the event of a manufacturer's or contractor's price decrease during the contract period, the State shall receive the full benefit of such price reduction on any undelivered purchase order and on any subsequent order placed during the contract period. The Director of Purchase and Property must be notified, in writing, of any price reduction within five (5) days of the effective date.

Failure to report price reductions will result in cancellation of contract for cause, pursuant to provision 3.5b.1.
4.2 **DELIVERY COSTS** - Unless otherwise noted in the Request for Proposal, all prices for items in bid proposals are to be submitted F.O.B. Destination. Proposals submitted other than F.O.B. Destination may not be considered. Regardless of the method of quoting shipments, the contractor shall assume all costs, liability and responsibility for the delivery of merchandise in good condition to the State's using agency or designated purchaser.

   F.O.B. Destination does not cover "spotting" but does include delivery on the receiving platform of the ordering agency at any destination in the State of New Jersey unless otherwise specified. No additional charges will be allowed for any additional transportation costs resulting from partial shipments made at contractor's convenience when a single shipment is ordered. The weights and measures of the State's using agency receiving the shipment shall govern.

4.3 **C.O.D. TERMS** - C.O.D. terms are not acceptable as part of a bid proposal and will be cause for rejection of a bid.

4.4 **TAX CHARGES** - The State of New Jersey is exempt from State sales or use taxes and Federal excise taxes. Therefore, price quotations must not include such taxes. The State's Federal Excise Tax Exemption number is 22-75-0050K.

4.5 **PAYMENT TO VENDORS** - Payment for goods and/or services purchased by the State will only be made against State Payment Vouchers. The State bill form in duplicate together with the original Bill of Lading, express receipt and other related papers must be sent to the consignee on the date of each delivery. Responsibility for payment rests with the using agency which will ascertain that the contractor has performed in a proper and satisfactory manner in accordance with the terms and conditions of the award. Payment will not be made until the using agency has approved payment.

   For every contract the term of which spans more than one fiscal year, the State's obligation to make payment beyond the current fiscal year is contingent upon legislative appropriation and availability of funds.

   The State of New Jersey now offers State contractors the opportunity to be paid through the MasterCard procurement card (p-card). A contractor's acceptance and a State Agency's use of the p-card, however, is optional. P-card transactions do not require the submission of either a contractor invoice or a State payment voucher. Purchasing transactions utilizing the p-card will usually result in payment to a contractor in three days. A Contractor should take note that there will be a transaction processing fee for each p-card transaction. To participate, a contractor must be capable of accepting MasterCard. For more information, call your bank or any merchant services company.

4.6 **NEW JERSEY PROMPT PAYMENT ACT** - The New Jersey Prompt Payment Act N.J.S.A. 52:32-32 et seq. requires state agencies to pay for goods and services within sixty (60) days of the agency's receipt of a properly executed State Payment Voucher or within sixty (60) days of receipt and acceptance of goods and services, whichever is later. Properly executed performance security, when required, must be received by the state prior to processing any payments for goods and services accepted by state agencies. Interest will be paid on delinquent accounts at a rate established by the State Treasurer. Interest will not be paid until it exceeds $5.00 per properly executed invoice.

   Cash discounts and other payment terms included as part of the original agreement are not affected by the Prompt Payment Act.

4.7 **RECIPROCITY** - In accordance with N.J.S.A. 52:32-1.4 and N.J.A.C. 17: 12- 2. 13, the State of New Jersey will invoke reciprocal action against an out-of-State bidder whose state or locality maintains a preference practice for their bidders.

5. **CASH DISCOUNTS** - Bidders are encouraged to offer cash discounts based on expedited payment by the State. The State will make efforts to take advantage of discounts, but discounts will not be considered in determining the lowest bid.

   a. Discount periods shall be calculated starting from the next business day after the recipient has accepted the goods or services received a properly signed and executed State Payment Voucher form and, when required, a properly executed performance security, whichever is latest.

   b. The date on the check issued by the State in payment of that Voucher shall be deemed the date of the State's response to that Voucher.

6. **STANDARDS PROHIBITING CONFLICTS OF INTEREST** - The following prohibitions on vendor activities shall apply to all contracts or purchase agreements made with the State of New Jersey, pursuant to Executive Order No. 189 (1988).

No vendor shall pay, offer to pay, or agree to pay, either directly or indirectly, any fee, commission, compensation, gift, gratuity, or other thing of value to any State officer or employee or special State officer or employee, as defined by N.J.S.A. 52:13D-13b and e., in the Department of the Treasury or any other agency with which such vendor transacts or offers or proposes to transact business, or to any member of the immediate family, as defined by N.J.S.A. 52:13D-13i., of any such officer or employee, or partnership, firm or corporation with which they are employed or associated, or in which such officer or employee has an interest within the meaning of N.J.S.A. 52: 13D-13g.

Any relationships subject to this provision shall be reported in writing forthwith to the Executive Commission on Ethical Standards, which may grant a waiver of this restriction upon application of the State officer or employee or special State officer or employee upon a finding that the present or proposed relationship does not present the potential, actuality or appearance of a conflict of interest.
