"Subcontractor" means any business organization that is not a contractor that knowingly provides goods or performs services for a contractor or another subcontractor in the fulfillment of a contract.

A bidder shall submit a copy of its business registration with the Department of Revenue at the time of submission of its bid proposal in response to this RFP.

This paragraph shall apply to all contracts awarded on and after September 1, 2004

5.4 CONTRACT TERM AND EXTENSION OPTION

The term of the contract shall be for a period of **TWENTY FOUR (24) MONTHS**. The anticipated "Contract Effective Date" is provided on the cover sheet of this RFP. If delays in the procurement process result in a change to the anticipated Contract Effective Date, the bidder agrees to accept a contract for the full term of the contract. The contract may be extended for all or part of **two (2)**, one-year periods, by the mutual written consent of the contractor and the Director. **Purchase orders may be placed against the contract up to and including the end of business on the last day of the contract, for delivery no more than 45 days after contract expiration.**

5.5 CONTRACT TRANSITION

In the event that a new contract has not been awarded prior to the contract expiration date, as may be extended herein, it shall be incumbent upon the contractor to continue the contract under the same terms and conditions until a new contract can be completely operational. At no time shall this transition period extend more than **120** days beyond the expiration date of the contract.

5.6 AVAILABILITY OF FUNDS

The State's obligation to pay the contractor is contingent upon the availability of appropriated funds from which payment for contract purposes is made. No legal liability on the part of the State for payment of any money shall arise unless funds are made available each fiscal year to the Using Agency by the Legislature.

5.7 CONTRACT AMENDMENT

Any changes or modifications to the terms of the contract shall only be valid when they have been reduced to writing and signed by the contractor and the Director.

5.8 PROCEDURAL REQUIREMENTS AND AMENDMENTS

5.8.2 During the period of the contract, no contractual changes are permitted, unless approved in writing by the Director.

5.8.3 The State reserves the right to separately procure individual requirements that are the subject of the contract during the contract term, when deemed by the Director to be in the State's best interest.

5.9 ITEMS ORDERED AND DELIVERED

The **Using Agency** is authorized to order and **the contractor** is authorized to ship only those items covered by the contracts resulting from this RFP. If a review of orders placed by the Using Agency reveal that material other than that covered by the contract has been ordered and delivered, such delivery shall be a violation of the terms of the contract and may be considered by the Director in the termination of the contract or in the award of any subsequent contract. The Director may take such steps as are necessary to have the items returned by the Agency, regardless of the time between the date of delivery and discovery of the violation. In such event, the contractor shall reimburse the State the full purchase price.

The contract involves items which are necessary for the continuation of ongoing critical State services. Any delay in delivery of these items would disrupt State services and would force the State to immediately seek alternative sources of supply on an emergency basis. Timely delivery is critical to meeting the State's ongoing needs.

5.10 REMEDIES FOR NON-PERFORMANCE

In the event that the contractor fails to comply with any material contract requirements, the Director may take steps to terminate the contract in accordance with the State administrative code. In this event, the Director may authorize the delivery of contract items by any available means, with the difference between the price paid and the defaulting contractor's price either being deducted from any monies due the defaulting contractor or being an obligation owed the State by the defaulting contractor.

Nothing in the contract shall be construed to be a waiver by the State of any warranty, express or implied, or any remedy of law or equity, except as specifically and expressly slated in a writing executed by the Director.

5.11 MANUFACTURING/PACKAGING REQUIREMENTS

- 5.11.1 All products must conform in every respect to the standards and regulations established by Federal and New Jersey State laws.
- 5.11.2 All products shall be manufactured and packaged under modern sanitary conditions in accordance with good commercial practice.
- 5.11.3 All products are to be packaged in sizes as specified in this RFP and shall be packaged in such a manner as to insure delivery in first class condition and properly marked for identification. All shipments must be comprised of original cartons associated with the commercial industry represented by the actual product contained within each carton. Deliveries containing re-used, re-labeled, re-worked or alternate cartons are subject to rejection by the Using Agency at the contractor's expense.

5.12 CLAIMS

All claims asserted against the State by the contractor shall be subject to the New Jersey Tort Claims Act, N.J.S.A. 59:1-1.1, et seq., and/or the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1, et seq.

5.13 REMEDIES

Nothing in the contract shall be construed to be a waiver by the State of any warranty, expressed or implied, of any remedy at law or equity, except as specifically and expressly stated in writing executed by the Director.

5.14 CONTRACT ACTIVITY REPORT

In conjunction with the standard record keeping requirements of this contract, as listed in paragraph 3.19 of this RFP's standard terms and conditions, the contractor must provide on a yearly basis, to the Purchase Bureau buyer assigned, a record of all purchases made under its contract. This information must be provided in a tabular format such that an analysis can be made to determine the following:

- Contractor's total sales volume under contract, subtotaled by product.
- Submission of purchase orders, confirmations, and/or invoices do not fulfill this contract requirement.
- Contractors are encouraged to submit the required information in electronic spreadsheet format.
The Purchase Bureau uses Microsoft Excel.
- Failure to submit these mandated reports will be a factor in future award decisions.

5.15 REQUIREMENTS OF EXECUTIVE ORDER 134

In order to safeguard the integrity of State government procurement by imposing restrictions to insulate the award of State contracts from political contributions that pose the risk of improper influence, purchase of access, or the appearance thereof, Executive Order 134 was signed on September 22, 2004 ("EO 134"). Pursuant to the requirements of EO 134, the terms and conditions set forth in this section are material terms of any contract resulting from this RFP:

5.15.1 DEFINITIONS

For the purpose of this section, the following shall be defined as follows:

a) Contribution – means a contribution reportable as a recipient under “The New Jersey Campaign Contributions and Expenditures Reporting Act.” P.L. 1973, c. 83 (C.19:44A-1 et seq.), and implementing regulations set forth at N.J.A.C. 19:25-7 and N.J.A.C. 19:25-10.1 et seq. Currently, contributions in excess of \$400 during a reporting period are deemed “reportable” under these laws. As of January 1, 2005, that threshold will be reduced to contributions in excess of \$300.

b) Business Entity – means any natural or legal person, business corporation, professional services corporation, limited liability company, partnership, limited partnership, business trust, association or any other legal commercial entity organized under the laws of New Jersey or any other state or foreign jurisdiction. It also includes (i)all principals who own or control more than 10 percent of the profits or assets of a business entity or 10 percent of the stock in the case of a business entity that is a corporation for profit, as appropriate; (ii)any subsidiaries directly or indirectly controlled by the business entity; (iii)any political organization organized under 26 U.S.C.A. 527 that is directly or indirectly controlled by the business entity, other than a candidate committee, election fund, or political party committee; and (iv)if a business entity is a natural person, that person’s spouse or child, residing in the same household.

5.15.2 BREACH OF TERMS OF EXECUTIVE ORDER 134 DEEMED BREACH OF CONTRACT

It shall be a breach of the terms of the contract for the Business Entity to (i)make or solicit a contribution in violation of this Order, (ii)knowingly conceal or misrepresent a contribution given or received; (iii)make or solicit contributions through intermediaries for the purpose of concealing or misrepresenting the source of the contribution; (iv)make or solicit any contribution on the condition or with the agreement that it will be contributed to a campaign committee or any candidate of holder of the public office of Governor, or to any State or county party committee; (v)engage or employ a lobbyist or consultant with the intent or understanding that such lobbyist or consultant would make or solicit any contribution, which if made or solicited by the business entity itself, would subject that entity to the restrictions of EO 134; (vi)fund contributions made by third parties, including consultants, attorneys, family members, and employees; (vii)engage in any exchange of contributions to circumvent the intent of EO 134; or (viii)directly or indirectly through or by any other person or means, do any act which would subject that entity to the restrictions of EO 134.

5.15.3 CERTIFICATION AND DISCLOSURE REQUIREMENTS

a) The State shall not enter into a contract to procure from any Business Entity services or any material, supplies or equipment, or to acquire, sell or lease any land or building, where the value of the transaction exceeds \$17,500, if that Business Entity has solicited or made any contribution of money, or pledge of contribution, including in-kind contributions to a candidate committee and/or election fund of any candidate for or holder of the public office of Governor, or to any State or county political party committee during certain specified time periods. Accordingly, the Business Entity shall submit with its bid proposal Executive Order 134 Certification(s) in the form set forth in [Appendix 3](#) attached hereto, certifying that no contributions prohibited by Executive Order 134 have been made by the Business Entity. A separate Certification is required for each person or organization defined above as a Business Entity. Failure to submit the Certification(s) with the Bid Proposal shall be cause for automatic rejection of the bid proposal.

b) Prior to awarding any contract or agreement to any Business Entity, the Business Entity proposed as the intended awardee of the contract shall report all contributions the Business Entity made during the preceding four years to any political organization organized under 26 U.S.C.527 of the Internal Revenue Code that also meets the definition of a “continuing political committee” within the mean of N.J.S.A. 19:44A-3(n) and N.J.A.C. 19:25-1.7, in the form of the Disclosure attached hereto as [Appendix 4](#). A separate Disclosure is required for each person or organization defined above as a Business Entity. Upon receipt of a Notice of Intent to Award a Contract, the intended awardee shall submit to the Division, in care of the Purchase Bureau Buyer, the Disclosure(s) within five (5) business days of the State’s request.

c) Further, the Contractor is required, on a continuing basis, to report any contributions it makes during the term of the contract, and any extension(s) thereof, at the time any such contribution is made. A copy of the

Continuing Disclosure of Political Contributions is attached hereto as [Appendix 5](#). A separate disclosure is required for each person or organization defined above as a business entity.

5.15.4 STATE TREASURER REVIEW

The State Treasurer or his designee shall review the Disclosures submitted pursuant to this section, as well as any other pertinent information concerning the contributions or reports thereof by the intended awardee, prior to award, or during the term of the contract, by the contractor. If the State Treasurer determines that any contribution or action by the contractor constitutes a breach of contract that poses a conflict of interest in the awarding of the contract under this solicitation, the State Treasurer shall disqualify the Business Entity from award of such contract.

6.0 PROPOSAL EVALUATION/CONTRACT AWARD

6.1 AWARD CRITERIA

For a product bid that has been determined to be in compliance with this RFP, the contract shall be awarded on the basis of the following criteria, not necessarily listed in the order of importance:

6.1.1

Price-Based on the overall low price evaluating all lines on the pricing sheet.

6.1.2

Experience of the bidder.

6.1.3

The bidder's past performance under similar contracts, including if applicable, the Division's vendor performance database.

6.2 CONTRACT AWARD

Award shall be made with reasonable promptness by written notice to that responsible bidder whose bid, conforming to the invitation for bids, will be most advantageous to the State, price and other factors considered. Any or all bids may be rejected when the State Treasurer of the Director of the Division of Purchase and Property determines that it is in the public interest so to do.

6.3 PAPER PRICE ESCALATION CLAUSE

The following specifications are an integral part of this specification. Please read carefully and bid accordingly.

Due to the volatility of the paper market, price escalations – for paper only – are allowable under this contract. The successful bidder will be required to keep prices firm for the first issue of the contract award, or first purchase order, whichever is later, as a minimum.

After this initial period, the contractor may submit to the Director of the Division of Purchase and Property, a request for a price adjustment if the contractor's price for the paper has been increased by the paper merchant.

This increase will only be considered after the contractor has determined that no comparable source of supply is available. The contractor must document his efforts in this regard.

The contractor must make good faith effort to secure the required amount of paper from alternate sources before applying for any increase(s). Such effort must be documented.

The contractor must also submit a letter from the paper merchant and paper mill documenting the increase.

The contractor may apply for any price increase which occurs thereafter.

6.4 ORAL PRESENTATION AND/OR CLARIFICATION OF BID PROPOSAL

After the submission of bid proposals, unless requested by the State, contact with the State is limited to status inquiries only and such inquiries are only to be directed to the buyer. Any further contact or information about the proposal to the buyer or any other State official connected with the solicitation will be considered an impermissible supplementation of the bidder's bid proposal.

A bidder may be required to give an oral presentation to the Evaluation Committee concerning its bid proposal. The Evaluation Committee may also require a bidder to submit written responses to questions regarding its bid proposal.

The purpose of such communication with a bidder, either through an oral presentation or a letter of clarification, is to provide an opportunity for the bidder to clarify or elaborate on its bid proposal. Original bid proposals submitted, however, cannot be supplemented, changed, or corrected in any way. No comments regarding other bid proposals are permitted. Bidders may not attend presentations made by their competitors.

It is within the Evaluation Committee's discretion whether to require a bidder to give an oral presentation or require a bidder to submit written responses to questions regarding its bid proposal. Action by the Evaluation Committee in this regard should not be construed to imply acceptance or rejection of a bid proposal. The Purchase Bureau buyer will be the sole point of contact regarding any request for an oral presentation or clarification.

6.5 SPECIAL PROJECTS/ADDITIONAL WORK

Should additional work be required, which is beyond the scope of this RFP, but is related to the overall contract, the contractor will be requested to submit a written cost estimate and production schedule to the Agency. Costs for this additional work will be appropriately paid for as an up charge. Examples of such modifications can include author's alterations, programming changes, ink or paper stock variations, etc., as pertains to this contract. The contractor will receive authorization to proceed from the Agency and the Purchase Bureau Printing Unit.

IN COMPLIANCE WITH MACBRIDE PRINCIPLES
AND NORTHERN IRELAND ACT OF 1989

For more information, call your bank or any merchant services company.

Any relationships subject to this provision shall be reported in

writing forthwith to the Executive Commission on Ethical Standards, which may grant a waiver of this restriction upon application of the State officer or employee or special State officer or employee upon a finding that the present or proposed relationship does not present the potential, actuality or appearance of a conflict of interest.
