Amendment #1 FURNITURE - CLASSROOM AND FOLDING T-1219

1 MARCH 2007

1. Authorized users must use the contractor's designated web site (NJ State Contract) as listed herein.
2. The authorized price list being used for this contract is provided by vendor and brand in pdf format. Only the State can make changes to these price lists. This will allow authorized users to verify prices without submitting a request to the Purchase Bureau.
3. Users are to identify which products are to be purchased by using the contractor's web page as designated herein. Once a product or products is determined users are to verify correct pricing by using the associated price list. One final check is required to ensure the products desired are covered by the contract. This is done by using information contained in the Notice of Award (NOA).
4. All servicing dealers are listed on the NOA. Some contractors have designated servicing agents to receive the PO's and payments directly. This information is also contained in the NOA.
