

THE STATE OF NEW JERSEY
Department of the Treasury

Division Of Minority and Woman Business Development

State announces new business development prospect for New Jersey based IT vendors and/other interested stakeholder groups within the business community.

The Division of Purchase and Property and the Office of Information Technology have announced a new strategic sourcing contract for IT Staff Augmentation services.

Computer Aid, Inc. (CAI) will be the contract's managed service provider responsible for the oversight of entire procurement process, including sourcing, candidate evaluation and validation, vendor response management, etc. **CAI is currently seeking NJ based vendors that are interested in becoming business partners in any of the following areas:**

Programming
Testing
Project Management
Systems
Functional Architecture
Product Specialists
Team Leadership
Software Process Engineering
Quality Assurance
System Administration
Database Administration
Help Desk Support
Data Entry
Information Security
Network systems Administration

CAI will be conducting contract orientation sessions for interested business partners on Monday, July 14, 2008 and Friday, July 18, 2008. There will be two sessions each day, from 10 A.m. to 12 p.m., and again from 2 p.m. to 4 p.m. These sessions will take place at 300 Riverview Plaza in Trenton, NJ. Pre-registration is mandatory due to limited seating. To reserve a seat and/or address any pre-meeting questions, interested vendors must contact the NJ IT Staff Augmentation Helpdesk at NJ_HELP@compaid.com

The Division of Minority and Women Business Development truly believes in the potential this new contract offers to vendors considering bidding for the first time with the State as well as expanding opportunities for current and past vendors.
