7. **CUSTOM ORDERS.** Certain orders may not be cancelled. In the event of a cancellation, the customer will be responsible for the full order. It will be shipped and billed accordingly. Buyer must verify with Seller Customer Service to ascertain if Buyer's order is of this type.
  - Examples include, but are not limited to:
  - Garment orders - may not be cancelled once the fabric has been cut.

8. **CANCELLATIONS.** Seller does not accept cancellations of orders for custom or special manufactured products, or for non-stocked, long lead time products after Buyer receives and accepts order confirmation.
  
9. **TERMS OF PAYMENT.** Payment is due 30 calendar days from date of invoice. Payments must be made in U.S. currency. If Buyer is delinquent in its payment obligation to Seller, Seller may upon written notice to Buyer stop work and withhold future shipments until all delinquent amounts and late interest, if any, are paid. Additionally Seller may at its option: i) repossess Products for which payment has not been made; ii) charge interest on delinquent accounts at a rate of 1.5% per month for the maximum rate permitted by law, if lower, for each month or part thereof; iii) recover all costs of collection including, but not limited to, reasonable attorneys' fees; iv) combine any of the above rights and remedies as may be permitted by applicable law. These remedies are in addition to all other remedies available at law or in equity. This "Payments" clause will survive expiration or any termination of this Agreement. Seller may re-evaluate Buyer's credit standing at all times. If Seller reasonably determines in its sole discretion that Buyer fails to qualify for the above payment terms at any time, then Seller may without notice to Buyer modify or withdraw credit terms including, but not limited to, requiring advance payment, guarantees or other security.
  
10. **TAXES.** Seller's pricing excludes all taxes (including but not limited to, sales, use, excise, value-added, and other similar taxes), duties and charges. Buyer is responsible for all such taxes, duties and charges resulting from this Agreement or as a result of Seller's

performance hereunder, whether now or hereafter imposed, levied, collected, withheld, or assessed. If Seller is required to impose, levy, collect, withhold or assess any such taxes, duties or charges on any transaction under this Agreement, then in addition to the purchase price, Seller will invoice Buyer for such taxes, duties, and charges unless at the time of order placement Buyer furnishes Seller with an exemption certificate or other documentation sufficient to verify exemption from such taxes, duties or charges. If any taxes are required to be withheld from amounts paid or payable to Seller under this Agreement, (i) the amount will be increased so that the amount Seller receives net of the taxes withheld equals the amount Seller would have received had no taxes been required to be withheld, (ii) Buyer will withhold the required amount of taxes and pay such taxes on behalf of Seller to the relevant taxing authority in accordance with applicable law, and (iii) Buyer will forward proof of such withholding sufficient to establish the withholding amount and recipient to Seller within 60 days of payment. In no event will Seller be liable for taxes paid or payable by Buyer. This clause will survive expiration or any termination of this Agreement.

**11. PACKING.** If Seller is responsible for packing any items for shipment, Seller will pack such items in accordance with Seller's general packing instructions, suitable for air-ride vans only.

**12. FORCE MAJEURE.** Except for payment obligations, neither party will be liable to the other for any failure to meet its obligations due to any cause beyond the non-performing party's reasonable control. If the inability to perform continues for longer than 90 days, either party may terminate this Agreement by providing written notice to the other party and Buyer will pay Seller for products delivered and services performed prior to termination. Force majeure events may include but are not limited to: (1) government embargoes, (2) blockades, (3) seizure or freeze of assets, (4) delays or refusals to grant an export license or the suspension or revocation thereof, (5) any other acts of any government that would limit the ability for contract performance, (6) fires, earthquakes, floods, severe weather conditions, (7) any other acts of God, (8) quarantines or regional medical crises, (9) labor strikes or lockouts, (10) riots, strife, insurrection, civil disobedience, armed conflict, terrorism or war, declared or not (or impending threat of any of the foregoing, if such threat might reasonably be expected to cause injury to people or property), (11) shortages or inability to obtain materials or components and (12) inability or refusal by Buyer's directed third party suppliers to provide Seller parts, services, manuals, or other information necessary to the goods or services to be provided by Seller under this Agreement.

Order Adjustment. If a force majeure event causes a delay, then the date of performance will be extended by the period of time that the non-performing party is actually delayed or for any other period as the parties may agree in writing.

**13. INSPECTION AND ACCEPTANCE.** Unless other acceptance criteria have been agreed to by the Parties under this Agreement the Buyer will inspect Products within a reasonable period after delivery not to exceed 30 calendar days. Products will be presumed accepted unless Seller receives written notice of rejection explaining the basis for rejection within the same timeframe. Seller will have a reasonable opportunity to repair or replace rejected Products, at its option. Seller assumes shipping costs in an amount not to exceed normal surface shipping charges to Seller's designated facility for the return of properly rejected Products. Following initial delivery, the party initiating shipment will bear the risk of loss or damage to Products in transit. If Seller reasonably determines that rejection was improper, Buyer will be responsible for all expenses caused by the improper rejection.

Seller does not accept cancellations of orders for custom or special manufactured products, or for non-stocked, long lead time products after Seller receives order confirmation.

#### **14. WARRANTIES:**

This warranty specifically excludes accidental damage (acid, tears on nails, etc.), intentional or unintentional abuse, natural disasters, damage caused by disregard of care instructions, and normal wear. All warranty repairs or replacements must be substantiated as actual defects in material or workmanship upon examination by Honeywell First Responder Products, or their qualified representatives, before any free repair or replacement can be authorized. It is recommended that the user frequently inspect and properly maintain these products in order to provide the designed levels of NFPA protection.

Honeywell warrants that Morning Pride by Honeywell helmet shells are free from defects in material and workmanship for a period of 5 years from the date of manufacture when used for normal firefighting and related operations. This warranty does not cover accidental damage, intentional or unintentional abuse, natural disasters, damage caused by disregard of care instructions and normal wear. END USER IS STRONGLY CAUTIONED not to install any accessory piercing the shell.

THESE WARRANTIES ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, WHETHER WRITTEN, EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE. IN NO EVENT WILL HONEYWELL BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES, EVEN IF INFORMED OF THE POSSIBILITY OF THESE DAMAGES AND NOTWITHSTANDING THE FAILURE OF THE ESSENTIAL PURPOSE OF ANY LIMITED REMEDY. NO EXTENSION OF THIS WARRANTY WILL BE BINDING UPON HONEYWELL UNLESS SET FORTH IN WRITING AND SIGNED BY HONEYWELL'S AUTHORIZED REPRESENTATIVE.

**For Footwear:**

Honeywell warrants that all footwear products manufactured and/or distributed by PRO-Warrington, Ranger, Servus, Honeywell First Responder Products, or its authorized distributors are free from any defects in material or workmanship for a period of one year from the date of manufacture. Products considered to be defective should be returned to an authorized distributor at owner's expense for inspection. The product will be either repaired or replaced at the discretion of Honeywell. Any replacement will be for the same style and size. This warranty covers normal firefighting use only. This warranty specifically excludes accidental damage (acid, tears on nails, etc.), intentional or unintentional abuse, natural disasters, damage caused by disregard of care instructions, exposure to a substance or environment that degrades the product and normal wear.

THESE WARRANTIES ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, WHETHER WRITTEN, EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE. IN NO EVENT WILL HONEYWELL BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES, EVEN IF INFORMED OF THE POSSIBILITY OF THESE DAMAGES AND NOTWITHSTANDING THE FAILURE OF THE ESSENTIAL PURPOSE OF ANY LIMITED REMEDY. NO EXTENSION OF THIS WARRANTY WILL BE BINDING UPON HONEYWELL UNLESS SET FORTH IN WRITING AND SIGNED BY HONEYWELL'S AUTHORIZED REPRESENTATIVE.

- 15. RETURNS.** Authorization for return of merchandise must be obtained in writing from Seller Customer Service. Returned product must be identified with a Return Merchandise Authorization (RMA) number provided by Seller Customer Service. The RMA number must be clearly marked on all packages. A restocking charge of 20% will apply on helmets, boots, hoods, gloves and suspenders returned 90 days from purchase, provided such goods are in saleable condition. Returned products not deemed saleable, at the sole discretion of Seller, will be disposed of or returned at the distributor's expense and no credit will be issued. Expiration dated product, custom products, discontinued items, specialty items, etc., may not be returned for credit. Products may not be returned more than 12 months after original sale. Products returned without authorization will be disposed of or returned at the distributor's expense, and no credit will be issued. Return Authorizations must be returned to Seller within 30 days of authorization date.
- 16. INDEMNITY AGAINST PATENT INFRINGEMENT.** At its expense, Seller shall defend any action brought against Buyer and pay all of Buyer's reasonable expenses and damages, but only to the extent that such expenses and damages do not exceed the aggregate amount paid by Buyer for the Products manufactured by Seller, for any claims that such Products infringe a patent or copyright effective in the United States. Buyer must notify Seller promptly in writing of the action (and all prior claims relating to such action) and give Seller sole control of the defense and all negotiations for its settlement or compromise. If Products manufactured by Seller become, or in Seller's opinion are likely to become, the subject of a patent or copyright infringement claim, Seller may at its option either secure Buyer's right to continue using such Products, replace or modify the Products to make them non-infringing, or, if neither of the foregoing alternatives is reasonably available, refund all money paid by Buyer for the Products. Seller shall have no liability for any claim of copyright or patent infringement based on (i) alteration of the Products manufactured by Seller by entities other than Seller, or (ii) use or combination of Products manufactured by Seller with Programs, software, data or equipment not supplied by Seller.

THIS SECTION CONSTITUTES SELLER'S SOLE LIABILITY, AND BUYER'S SOLE RECOURSE AND EXCLUSIVE REMEDY, IN THE EVENT OF ANY INFRINGEMENT OR OTHER VIOLATION OF INTELLECTUAL PROPERTY RIGHTS WITH RESPECT TO PRODUCTS MANUFACTURED BY SELLER.

- 17. INDEMNIFICATION.** Each party will indemnify, defend, and hold the other harmless against third party claims (including, without limitation, the parties' employees) for personal injury, death or loss of or damage to property caused solely by its negligence in the performance of this Agreement. The indemnitor's obligations under this Clause are conditioned on receiving prompt notice of a claim from the indemnitee. The indemnitor will be entitled exclusively to control the defense. At the indemnitor's expense, the indemnitee will provide reasonable assistance in defense of the claim including, but not limited to, promptly furnishing the indemnitor with all relevant information within its possession or control. Because the indemnitor will provide the defense, the indemnitor will not be liable for any attorney fees or costs of indemnitee. The indemnitee may participate in the defense, but in no event will the indemnitor be liable for the indemnitee's attorney fees or costs. The indemnitee may not enter into any settlement, assume any obligation or make any concession without the prior written approval of indemnitor, which may not be unreasonably withheld.
- 18. LIMITATION OF LIABILITY.** IN NO EVENT WILL SELLER BE LIABLE FOR ANY INCIDENTAL DAMAGES, CONSEQUENTIAL DAMAGES, SPECIAL DAMAGES, INDIRECT DAMAGES, LOSS OF PROFITS, LOSS OF REVENUES, OR LOSS OF USE, EVEN IF INFORMED OF THE POSSIBILITY OF SUCH DAMAGES. SELLER'S LIABILITY FOR DAMAGES ARISING OUT OF OR RELATED TO THIS AGREEMENT SHALL IN NO CASE EXCEED THE LESSER OF THE AMOUNT PAID BY BUYER TO SELLER OR THE CONTRACT PRICE FOR THE SPECIFIC PRODUCT OR SERVICE THAT GIVES RISE TO THE BREACH. TO THE EXTENT PERMITTED BY APPLICABLE LAW, THESE LIMITATIONS AND EXCLUSIONS WILL APPLY REGARDLESS OF WHETHER LIABILITY ARISES FROM BREACH OF CONTRACT, WARRANTY, TORT (INCLUDING BUT NOT LIMITED TO NEGLIGENCE), BY OPERATION OF LAW, OR OTHERWISE.

- 19. COMPLIANCE WITH LAWS.** Buyer is responsible for compliance with all import and export control laws and regulations. Buyer will obtain import, export, re-export approvals and licenses required for goods, transfers, services and technical data delivered and will retain documentation to support compliance with those laws and regulations.
- 20. NOTICES.** Every Notice between the Parties relating to the performance or administration of this Agreement shall be made in writing.
- 21. SEVERABILITY.** In the event any provision of this Agreement is determined to be illegal, invalid, or unenforceable, the validity and enforceability of the remaining provisions of this Agreement will not be affected and, in lieu of such illegal, invalid, or unenforceable provision, there will be added as part of this Agreement one or more provisions as similar in terms as may be legal, valid and enforceable under applicable law.
- 22. WAIVER.** The failure of either party to enforce at any time any of the provisions of this agreement shall not be construed to be a continuing waiver of any provisions hereunder nor shall any such failure prejudice the right of such party to take any action in the future to enforce any provisions hereunder.
- 23. SETOFF.** Buyer will not set off or recoup invoiced amounts or any portion thereof against sums that are due or may become due from Seller, its parent, affiliates, subsidiaries or other divisions or units.
- 24. APPLICABLE LAW AND FORUM.** This Agreement will be governed by the laws of the State of New York and the United States of America, without regard to conflicts of law principles. Seller and Buyer expressly agree to exclude from this Agreement the United Nations Convention on Contracts for the International Sale of Goods, 1980, and any successor thereto. The federal and/or state courts located within New York, New York, USA will have exclusive jurisdiction to adjudicate any dispute arising out of or related to this Agreement.
- 25. ASSIGNMENT.** Neither Party will assign any rights or obligations under this Agreement without the advance written consent of the other Party, which consent will not be unreasonably withheld. Either Party may assign this Agreement in connection with the sale or transfer of all or substantially all of the assets of the business to which it pertains. Any attempt to assign or delegate in violation of this clause will be void.
- 26. TRADEMARKS.** Buyer acknowledges the proprietary nature and exclusivity of Seller ownership of the trademarks associated with Seller's products ("Trademarks"). Buyer acknowledges that it has no right, title, or interest in the Trademarks. If Buyer is an authorized distributor of Seller, Buyer may use the Trademarks solely for the purpose of identifying itself as an authorized distributor of products and to identifying the products as Seller's products. In the event that Buyer ceases to be an authorized distributor of Seller Products, Buyer shall cease any use of Seller Trademarks. Buyer shall not (i) directly or indirectly, including through any affiliate, produce, promote, advertise, distribute, sell or offer for sale, directly or indirectly, without prior written consent of Seller any item anywhere that bears a trademark, or trade dress that may infringe Seller's intellectual property interest in, or otherwise may, in Seller's good faith determination, create confusion with the Trademarks. Furthermore Buyer shall not use Trademarks in any manner likely to diminish their commercial value or make any representation to the effect that the Trademarks are owned by Buyer rather than Seller or challenge the validity of Seller ownership in Trademarks.
- 27. SURVIVAL.** All provisions which by their meaning and intent would reasonably be assumed to survive the termination or expiration of this Agreement shall so survive.
