

SPECIAL NOTICE

The Division of Purchase & Property, Purchase Bureau has issued a new Janitorial Contract entitled, Environmentally Preferable Cleaning Products – #1; T-2513” with an effective contract period of August 15, 2007 through August 14, 2008. This new contract is in compliance with Executive Order 76 which states that all State departments, authorities and instrumentalities with purchasing responsibilities shall procure and use cleaning products having properties that minimize potential impacts to human health and to the environment, consistent with maintaining the effectiveness of these products for the protection of the public health and safety. Effective August 15, 2007, all State Agencies are instructed to begin utilizing this contract. Mandatory training in the proper use of its product line to all State agency users including Cooperative Purchasing participants is the sole responsibility of the Contractor.

The Division is also in the process developing specifications/contracts that will include additional products – some of which will be stocked at Distribution & Support Services (DSS). Additional information will be forthcoming as additional contracts are awarded.
