## FOR CALENDAR YEAR ENDING DECEMBER 31, 2017.

Beginning with Tax Year 2013, New Jersey allows a retaliatory tax credit, pursuant to N.J.S.A. 54:18A-2(c) and 54:18A-3(c) which permits a domestic insurance company to reduce its Insurance Premiums Tax liability by $5 \%$ of any retaliatory tax incurred in other states, for the same filing period. The percentage reduction will increase $1 \%$ annually for 10 years until it reaches $15 \%$ for tax year 2023 and each tax filing thereafter. The tax liability reduction amount is to be included on the appropriate Form DEM or Form DEXM Line 23.
