Delaware River Turnpike Bridge Closure: Detours and local traffic impacts

Westbound Detour

New Jersey Turnpike motorists heading to Pennsylvania will be detoured at Interchange 7A to I-195 westbound to I-295 northbound, which becomes I-95 southbound; or at Interchange 5 to Mount Holly Road. Motorists traveling from northern New Jersey are advised to exit at Interchange 14 and use I-78 west into Pennsylvania.

Eastbound Detour

PA Turnpike motorists heading east into New Jersey should exit at Interchange 351 (Bensalem). Follow U.S. Route 1 north to I-95 north to I-295, south to I-195 east. Take Exit 6 off I-195 and reenter the NJ Turnpike at Interchange 7A.

Impact on Local Roads

In New Jersey, motorists traveling east from Route 130 will be able to use Interchange 6 to access the New Jersey Turnpike via the Pearl Harbor Memorial Extension. The westbound Pearl Harbor Memorial Extension will remain closed to all traffic; there will be no access to Interchange 6 from that direction. In Pennsylvania, local roadways under the bridge are closed until further notice. They include Radcliff Street, Palmer Avenue, and Wood Avenue,
