ALERTS

2019 Novel Coronavirus

For patients who are short of breath, have a fever, are coughing, AND recently travelled outside their normal area, OR have been in contact with someone who is suspected of having or has Covid-19, please alert responders that the patient may have a “Possible Infectious Respiratory Illness” and to use contact and respiratory precautions.

Interim Guidance

If PSAP call takers advise that the patient is suspected of having 2019-nCoV, ADVISE ALL RESPONDERS (Police, Fire, EMS, any others directly or through their dispatch) TO USE P.P.E.

Anyone from the general public with questions should be instructed to call The Hotline 1-800-222-1222 (NJ Poison Control)
