ENERGY

IN THE MATTER OF THE PROVISION OF )  
BASIC GENERATION SERVICE FOR THE )  
PERIOD BEGINNING JUNE 1, 2013 )

DECISION AND ORDER

DOCKET NO. ER12060485

(e-SERVICE LIST)

BY THE BOARD:

By prior Board Orders in Docket No. ER10040287 dated December 6, 2010, and Docket No. EO11040250 dated November 9, 2011, the Board approved, with modifications, the joint Basic Generation Service ("BGS") proposals of the State's electric distribution companies ("EDCs")-- Atlantic City Electric Company ("ACE"), Jersey Central Power & Light Company ("JCP&L"), Public Service Electric and Gas Company ("PSE&G") and Rockland Electric Company ("Rockland")-- that used a descending clock auction format to procure two-thirds of the State's BGS requirements for Fixed-Price ("FP") BGS customers for 36 months for periods extending to May 31, 2015. In those prior Orders, the Board did not address how the remaining BGS requirements for FP customers, as well as the State's annual BGS requirements for Commercial and Industrial Energy Pricing ("CIEP") customers, would be procured for the period beginning June 1, 2013.<sup>1</sup>

The process adopted by the Board to determine how to procure BGS for the past eleven years has provided an opportunity for participation by all interested parties through both written comments and at public hearings which resulted in a wide range of BGS suggestions, a timely Board decision and, ultimately, a successful procurement process. Accordingly, the Board

---

<sup>1</sup> If the EDCs continue to propose a three year rolling product as in the past, the BGS FP requirements procured for the period beginning June 1, 2013 will supply one-third of the BGS FP load for the period June 1, 2013 through May 30, 2014, one-third of the BGS FP load for the period June 1, 2014 through May 30, 2015, and one-third of the BGS FP load for the period June 1, 2015 through May 30, 2016.

intends to initiate a proceeding to determine what type of process should be used to procure BGS FP and CIEP requirements for the period beginning June 1, 2013, similar to the process that has been employed for the past eleven years, including an invitation for all parties to propose how to procure BGS supply, the ability for all parties to issue discovery, provide written comments to the Board, and provide oral testimony at both legislative and public hearings where the Board encourages the use of expert testimony. The proposed schedule anticipates a Board decision on the process in November 2012, and a BGS procurement process in February 2013.

Therefore, the Board DIRECTS the EDCs, ACE, JCP&L, PSE&G, and Rockland, to file proposals no later than July 2, 2012, addressing how to procure the remaining one third of the State's BGS FP requirements and the annual CIEP requirements for the period beginning June 1, 2013. In addition, the Board also invites all other interested stakeholders to file alternative BGS proposals with the Board by July 2, 2012.

In addition, the Board DIRECTS the EDCs to address the following issues in conformance with the Board's decisions at the June 18, 2012 Agenda meeting in In the Matter of the Review of the Basic Generation Service Procurement Process, Docket No: ER12020150 in their July 2, 2012 BGS filing:

- 1) lowering of the CIEP threshold to those customers with a peak load share of at least 500kw beginning June 1, 2013;
- 2) directing that the EDCs make a specific proposal to address TransCanada's comments about the length of the decision process in their next BGS procurement process filing; and
- 3) directing the EDCs to install interval meters for all BGS eligible customers with a peak load share of 500 kW and above by June 1, 2013.

Furthermore, the Board ADOPTS the preliminary procedural schedule contained in Attachment A to this Order.

All discovery and comments must be filed with the Board's Secretary and should also be electronically served via email to parties on the attached e-service list. Parties wishing to be added to the e-service list may do so by emailing Frank Perrotti at Frank.Perrotti@bpu.state.nj.us. Parties should adhere to the attached schedule unless otherwise directed. Parties will be advised of the time and place of the legislative-style hearing identified in Attachment A electronically via email and through a posting on the Board's webpage. The Board and/or Staff will also notify parties through the electronic service list and,

when possible, through the Board's webpage, of the time and location of any meetings or hearings as well as of any schedule changes.
