**Re: In The Matter Of the Modification of the Solar Renewable Portfolio Standard and Solar Alternative Compliance Payment Schedules and the Reduction of the Qualification Life for Solar Renewable Energy Certificates for Solar Facilities – Motion for Reconsideration
Docket No. QO18070698**

Dear Mr. Potter:

On March 26, 2019, you filed a motion for reconsideration of the Board's February 27, 2019 Order in the above referenced matter on behalf of your client, the Mid-Atlantic Solar and Storage Industries Association. N.J.A.C. 14:1-8.7(c) provides, with respect to motions for rehearing or reconsideration, that "[a]ny motion hereunder which is not granted or otherwise expressly acted upon by the Board within 60 days after the filing thereof, shall be deemed denied." Due to the timing of the Board's agenda meetings as well as the pending review of your motion, a decision cannot be issued within the 60 day time period.

Therefore, please be advised that the Board intends to continue its review of the above-referenced request for reconsideration. Having taken such action, the Board notes that accordingly, the petition for reconsideration shall not be deemed denied under N.J.A.C. 14:1-8.7(c), and shall remain open pending the Board's issuance of a final decision upon the completion of its review.

Sincerely,

A handwritten signature in black ink that reads "Aida Camacho-Welch".

Aida Camacho-Welch
Secretary of the Board
