BY THE BOARD:

On September 11, 2008, Stonybrook Manor Condominium Association c/o Preferred Management, Inc. ("Petitioner") filed a petition with the Board requesting a formal hearing related to a billing dispute with Public Service Electric and Gas Company ("Respondent").

After the filing of Respondent's answer, the Board transmitted this matter to the Office of Administrative Law ("OAL") for hearing and initial disposition as a contested case pursuant to N.J.S.A. 52:14B-1 et seq. and N.J.S.A. 52:14F-1 et seq. This matter was assigned to Administrative Law Judge ("ALJ") Walter M. Braswell.

While this matter was pending at the OAL, the parties engaged in negotiations and entered into and signed a Stipulation of Settlement ("Settlement") that was submitted to the ALJ. By Initial Decision issued on March 4, 2009, and submitted to the Board on March 11, 2009, to which the Settlement was attached and made part thereof, ALJ Braswell found that the Settlement was voluntary, that its terms fully disposed of all issues in controversy, and that it satisfied the requirements of N.J.A.C. 1:1-19.1. Pursuant to the terms of the Settlement, the parties have agreed that within 45 days of the issuance of the ALJ's Initial Decision, Respondent will issue a check to the Petitioner in the amount of $12,500.52 as a credit to the Petitioner's account.
Respondent will also replace meter #626000863 with a new meter will coordinate with Petitioner so that Petitioner may have a representative present when this work is performed. The parties further agreed that Respondent will contact the Petitioner to schedule an on-site investigation of Petitioner’s meters and outdoor lighting within ten days of the ALJ’s Initial Decision. Subsequent to changing meter #626000863, the Respondent agreed to work with Petitioner to ensure that, if further credits are due and owing, Petitioner’s account would be credited to ensure that Petitioner is accurately billed.

After review of the Initial Decision and the Agreement of the parties, the Board HEREBY FINDS that, by the terms of the Settlement, the parties have resolved all outstanding contested issues in this matter. Accordingly, the Board HEREBY ADOPTS the Initial Decision and the Stipulation of Settlement executed by the parties in their entirety as if fully set forth herein.
