Notice of Job Vacancy

****This is an in person position****

JOB POSTING #: 38-2021

DATE OF POSTING: November 24, 2021

DATE OF CLOSING: December 15, 2021

TITLE: Senior Planner, Emergency Management (Energy Security)

SALARY: \$58,354.29 – \$82,690.29

EXISTING VACANCIES: One (1)

WORKWEEK: NE (35 Hours)

DIVISION/LOCATION: Board of Public Utilities
Division of Reliability & Security

GENERAL DESCRIPTION: Under direction of the Division Director or other supervisory official, performs technical planning related to emergency management in accordance with guidelines set forth by the state and federal government, for, and in behalf of, the State of New Jersey and its political subdivisions, and emergency operational assignments; does related work as required.

Work Responsibilities:

- Develops guidance material and documents related to energy assurance and energy emergencies.
- Responds to actual energy emergency situations as required and staffs the State Emergency Operations Center.
- Coordinates the activities of the utilities sector and utility representatives assigned to the State EOC during emergency activations.
- May be required to work non-routine work hours.

- Participates in the review and analysis of utility and petroleum emergency operations plans and restoration practices.
- Evaluates performance of the Energy Sector in response to incidents and weather events.
- Conducts field inspections and represents the Division at meetings, conferences, and workgroups.
- Provides timely updates to NJBPU leadership during emergencies regarding Utility Emergency Response.
- Participates in emergency planning initiatives and meetings with public and private sector.
- Interprets federal and state emergency planning legislation.
- Investigates potential violations of law, non-compliances with statutes, administrative codes and orders.

REQUIREMENTS: Graduation from an accredited college or university with a Bachelor's degree.

EXPERIENCE: Two (2) years of experience in planning at the municipal, regional, state, or federal level, one (1) year of which shall have been in the area of emergency/disaster planning.

NOTE: Applicants who do not possess the required education may substitute additional experience as indicated on a year for year basis with (30) semester hour credits being equal to one (1) year of experience.

OPEN TO THE FOLLOWING: Open to State employees who are serving in a permanent capacity for an aggregate of at least one (1) year in any competitive title, preceding the posting date and must meet the requirements and experience stated above.

HOW TO APPLY: Interested applicants should submit a letter of interest, resume, and Personal Relationships Disclosure Form ([Click Here](#)). Please make sure to include the posting number in the subject line via email. All documents must be submitted by the closing date shown above to the following:
