May 1, 2017, Amendments and New Rule.

The purpose of this rulemaking is the readoption with amendments and a new rule of the Office of Cable Television’s (OCTV) procedural rules governing cable television companies.
The notice of rules proposed for readoption with amendments and new rule was published in the New Jersey Register on November 7, 2016, at 48 N.J.R. 2220(a), which included a public hearing held on December 15, 2016. Notice of the proposal was posted on or about November 7, 2016 in the Board of Public Utilities' (Board) lobby and was sent to the Statehouse Press. The notice of proposal was also posted on the Board's website and was e-mailed to the Division of Rate Counsel and interested parties and attorneys as listed with the OCTV under N.J.A.C. 1:30-5.2(a)3. Written comments were accepted through January 6, 2017. The notice of proposal has been discussed and was approved for adoption at the Board's March 24, 2017, public meeting.

Summary of Public Comments and Agency Responses:

The following entities submitted written comments: Division of Rate Counsel (Rate Counsel), New Jersey Cable Telecommunications Association (NJCTA) and Jean Public.

General Comments

COMMENT: After review of the proposed changes, Rate Counsel commends Board staff on the proposed modifications throughout the subchapter and section rules under Subchapters 1 (General Provisions); 2 (Fees and Charges); 4 (Pleadings); 6 (Petitions); 8 (New Proposed Rule on Approval of Settlements); and 11 (Compliance with Orders, Decisions and Recommendations), as they achieve parity with other Board regulations and clarify the tenets of the Board's current regulations to ensure fuller understanding of filing requirements and compliance by petitioners and other parties that appear before the Board.

In view of the foregoing, Rate Counsel does not object to the proposed amendments and is in agreement with the new proposed rule, N.J.A.C. 14:17-8.5, defining settlements and their approval. (Rate Counsel)

RESPONSE: The Board thanks Rate Counsel for its comments.

COMMENT: The State of New Jersey needs more competition in the TV industry in New Jersey. The fact is consumers in New Jersey are unfairly limited to one or two companies for services and so the rates that these favored companies charge are through the roof. TV and Internet can be sold to subscribers for huge profits at much less than is being charged by these rip off companies such as Comcast, Century Link, and Verizon, these days. The BPU is not working for the consumers at all. It seems to be working for the profiteers' profitability, which is sky high. Comcast is charging so much they have billions left to buy other companies. These companies are not serving for the good of America and BPU is allowing monopoly to go on, hurting Americans. (Jean Public)

RESPONSE: While not a subject of this rulemaking, the Board notes that cable television franchises in New Jersey are non-exclusive. Another cable television company could apply for municipal consent to construct a cable television
system in any municipality or could seek a system-wide cable television franchise from the Board at any time. The provisions governing franchising are found in N.J.S.A. 48:5A-1 et seq., and N.J.A.C. 14:18.

Further, and again, not a subject of this rulemaking, regarding rates charged by cable television companies, in June of 2015, the Federal Communications Commission (FCC) adopted a standard that assumes that all cable television companies are subject to effective competition. In the absence of proof by a local franchising authority (LFA) that a cable television company is not subject to effective competition, a cable television company's rates are not regulated.

N.J.A.C. 14:17-4.2

COMMENT: As the Board notes in its notice of proposed readoption, a rulemaking proceeding related to N.J.A.C. 14:1 to accommodate the Board's implementation of an electronic filing system is anticipated and the Board has waived the requirements of N.J.A.C. 14:17-4.2(a) by way of a July 29, 2016, Order allowing electronic filing and requiring only three paper copies. NJCTA respectfully seeks clarification of whether the waiver will continue to be in effect until the upcoming rulemaking in N.J.A.C. 14:1 is completed. Further, NJCTA asks for clarification as to whether this proposed subsection will be subject to change as a result of that proceeding. Additionally, NJCTA requests that the term "proceeding" be eliminated, as it claims it is unclear and unnecessary in that the language that governs filing of paper copies and that governing electronic submissions should be identical in order to avoid confusion among filing parties.

(NJCTA)

RESPONSE: While not a subject of this rulemaking, the Board's July 29, 2016, Order will continue to be in effect until such time as the Board takes action otherwise. Also, while not a subject of this rulemaking, any changes proposed to N.J.A.C. 14:1-4.2 will be subject to public comment in accordance with the Administrative Procedures Act (APA) and interested parties will be permitted to comment. Since the rule adopted in this rulemaking provides that cable television companies will be subject to N.J.A.C. 14:1-4.2, cable television companies would be subject to any amendments adopted in accordance with the APA. The Board declines to remove the word "proceeding" as this language mirrors N.J.A.C. 14:1-4.2. Therefore, no additional changes have been made to this rule.

N.J.A.C. 14:17-11.4

COMMENT: NJCTA seeks clarification as to what form the Board's "notice" may take, specifically, whether "notice" must be in writing and whether it would include electronic mail and/or verbal communications. NJCTA recommends that any such notice be in writing. NJCTA also requests that a Board's notice of violation, which elsewhere in the regulations is entitled to up to a 60-day response time (N.J.A.C. 14:18-16.8(a)), be more specifically excluded from this section. Finally, it is suggested that the term "report" in the first sentence of this section be changed to "response," because an official report addressing the substance of the matter may not be ready within 15 days, although a response might be submitted indicating when an investigation may be concluded and a more full reply provided.

(NJCTA)

RESPONSE: This section, which states "unless otherwise specified," is clear in that it would only apply where there is no specific timeframe given otherwise. The Board declines to change the term "report" to "response" as that would change the intent of this section. A response stating when a report would be ready would not comply with the requirements of this section. If a cable television company were unable to provide a report within 15 days, it would be required to notify the Board of its inability to comply, as provided in this section. This section closely mirrors the provisions of N.J.A.C. 14:1-10.4, which also uses the term "notice," and shall mean such notice as the Board determines it to be. The Board declines to further amend this section.

Federal Standards Statement

While many of the rules adopted herein with amendments and a new rule are subject of Federal laws, rules, regulations, and standards, including rate regulations and associated procedures (47 CFR 76.900), the Board does not
believe that any of the rules adopted with amendments and a new rule conflict with or exceed Federal standards. Instead, the adopted rules either directly codify existing Federal requirements or are explicitly within the scope of regulation that the Federal government reserved for the local franchising authority, which in this case is the Board.

Full text of the readopted rules can be found in the New Jersey Administrative Code at N.J.A.C. 14:17.
