Successful completion of continuing education and competency requirements shall include, at a minimum, the following:

1. A licensee shall provide proof of attendance which qualifies for the biennial licensure period in which the residency takes place.

2. Each licensee shall maintain a record of all continuing education and competency credits for the biennial licensure period in which the residency takes place.

3. The Board may review and approve courses, programs, and seminars for which approval is sought and the information required of a continuing professional education and competency provider pursuant to N.J.A.C. 13:39A-6(a).

4. Continuing education courses, programs, and seminars shall be offered on a nondiscriminatory basis. Membership organizations may discount the cost of attending continuing education and competency courses, programs, and seminars for dues-paying members.

5. Documentation of continuing education and competency credits awarded.

7. The Board shall monitor compliance with the mandatory continuing education and competency requirements by conducting a random audit of licensees, who, upon request, shall provide proof of successful completion of continuing education and competency credits.

8. Waiver of continuing education and competency requirements.

9. Time for completion of the continuing education and competency requirements.

10. The Board may waive, extend, or modify the time period for completion of the continuing education and competency requirements on an individual basis for reasons of hardship, such as illness, disability, or active service in the military.

11. A licensee who seeks a waiver, extension, or modification of the time period for the completion of the continuing education and competency requirements shall provide to the Board in writing, no less than two months prior to the end of the licensure period, the specific reasons for requesting the waiver, extension, or modification and such additional information as the Board may require in support of the request.
