CIVIL SERVICE

CIVIL SERVICE COMMISSION

Equal Employment Opportunity and Affirmative Action

Readoption with Amendments: N.J.A.C. 4A:7

Proposed: July 20, 2015 at 47 N.J.R. 1698(a).

Adopted: November 5, 2015 by the Civil Service Commission, Robert M. Czech, Chairperson.

Filed: November 5, 2015 as d. , without change.

Effective Date: November 5, 2015
Expiration Date: November 5, 2022

Summary of Hearing Officer Recommendations and Agency Responses:
A public hearing on this readoption with amendments was held on August 19, 2015 in Trenton, New Jersey. Walker Ristau served as hearing officer. No comments were received on the readoption with amendments at that time, and no recommendations were made by the hearing officer. No written comments were received. The record of the public hearing may be reviewed by contacting Henry Maurer, Director, Division of Appeals and Regulatory Affairs, Civil Service Commission, P.O. Box 312, Trenton, New Jersey 08625-0312.

**Federal Standards Statement**

The area of regulation governed by N.J.A.C. 4A:7 is also governed by Federal laws and regulations. N.J.A.C. 4A:7 exceeds Federal standards and requirements, affording protection to a broader class of persons, that is, protection of all persons from discrimination on the basis of race, creed, color, national origin, nationality, ancestry, age, sex/gender (including pregnancy), marital status, civil union status, domestic partnership status, familial status, religion, affectional or sexual orientation, gender identity or expression, atypical hereditary cellular or blood trait, genetic information, and liability for service in the Armed Forces of the United States. Conversely, Title VII affords protection from discrimination to all persons on the basis of far fewer categories – namely, race, color, religion, sex, and national origin.
See Title VII of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000e et seq. Age and disability are protected categories under Federal law pursuant to the Age Discrimination in Employment Act of 1967, 29 U.S.C. §§ 621 et seq.; and the Americans with Disabilities Act of 1990, 42 U.S.C. §§ 12101 et seq. However, the reason that N.J.A.C. 4A:7 provides such broad protections is that the State Law Against Discrimination (LAD) specifically prohibits discrimination against persons based on the categories indicated in the rules proposed for readoption with amendments. The Civil Service Commission is bound to follow and implement the LAD. See N.J.S.A. 10:5-1 et seq.

It is further noted that N.J.A.C. 4A:7 prohibits discrimination/harassment occurring at a lower threshold than that prohibited by Federal or State law. This is because N.J.A.C. 4A:7, the State Policy Prohibiting Discrimination in the Workplace, aims to prevent and remediate as many types and instances of discrimination/harassment as possible to ensure a smoothly functioning and harmonious workplace.

In accordance with N.J.A.C. 1:30-5.1(c)4iii(2), which requires that an agency engage in a cost-benefit analysis when a proposed rule exceeds Federal standards, it is noted that the Civil Service Commission anticipates greater benefits than costs through implementation of the State Policy in the rules proposed for readoption with amendments. In prohibiting and, thus, preventing, any form of discrimination based on the previously enumerated
protected categories, the rules would lead to a more productive workforce in the State’s public sector.

The discussion required by N.J.A.C. 1:30-5.1(c)4iii(3), regarding whether the agency standard or requirement to be imposed is achievable under the current technology, is not applicable to these rules proposed for readoption with amendments because technology is not relevant to the merits or implementation of the rules.

**Full text** of the rules proposed for readoption may be found in the New Jersey Administrative Code at N.J.A.C. 4A:7.

**Full text** of the proposed amendments follows (additions indicated in **boldface** thus; deletions indicated in brackets [thus]):

**SUBCHAPTER 1. EQUAL EMPLOYMENT OPPORTUNITY**

psychologically, by accepted clinical or laboratory diagnostic techniques. Disability shall also mean AIDS or HIV infection. See N.J.S.A. 10:5-5(q). See also N.J.A.C. 4A:4-2.14 for accommodation and waiver of examinations for persons with disabilities.

(f) This chapter prohibits all forms of discriminatory conduct against any State employee by any other State employee or person doing business with the State. In addition, this chapter prohibits any form of discriminatory conduct by a State employee against a person doing business with the State. A "person doing business with the State" means an independent vendor performing services or supplying goods pursuant to a contract with the State.

(g) In local service, an appointing authority may establish policies and procedures for processing discrimination complaints.

4A:7-1.2 Discriminatory inquiries

(a) A preemployment application shall not require an applicant to provide information covering subject matters which may be discriminatory, except where related to a job requirement or required by law. See [Division on Civil Rights rules at] N.J.A.C. [13:7-1.1] 13:13-2.4.

(b) Preemployment and employment information which is required by the State or Federal government for statistical purposes may be obtained by an appointing authority or the [Department of Personnel] Civil Service Commission.

SUBCHAPTER 3. POLICY PROHIBITING DISCRIMINATION IN THE WORKPLACE; COMPLAINT PROCEDURE AND APPEALS

4A:7-3.1 Policy prohibiting discrimination in the workplace

(a) The State of New Jersey is committed to providing every State employee and prospective State employee with a work environment free from prohibited discrimination or harassment. Under this policy, forms of employment discrimination or harassment based upon the following protected categories are prohibited and will not be tolerated: race, creed, color, national origin, nationality, ancestry, age, sex/gender (including pregnancy), marital status, civil union status, domestic partnership status, familial status, religion, affectional or sexual orientation, gender identity or expression, atypical hereditary cellular or blood trait, genetic information,
liability for service in the Armed Forces of the United States, or disability. To achieve the goal of maintaining a work environment free from discrimination and harassment, the State of New Jersey strictly prohibits the conduct that is described in this policy. This is a zero tolerance policy. This means that the State and its agencies reserve the right to take either disciplinary action, if appropriate, or other corrective action, to address any unacceptable conduct that violates this policy, regardless of whether the conduct satisfies the legal definition of discrimination or harassment.

1. Prohibited discrimination/harassment undermines the integrity of the employment relationship, compromises equal employment opportunity, debilitating morale, and interferes with work productivity. Thus, this policy applies to all employees and applicants for employment in State departments, commissions, State colleges or universities, agencies, and authorities (hereafter referred to in this section as "State agencies" or "State agency"). The State of New Jersey will not tolerate harassment or discrimination by anyone in the workplace including supervisors, co-workers, or persons doing business with the State. This policy also applies to both conduct that occurs in the workplace and conduct that occurs at any location which can be reasonably regarded as an extension of the workplace (any field location, any off-site business-related social function, or any facility where State business is being conducted and discussed).
2. This policy also applies to third party harassment. Third party harassment is unwelcome behavior involving any of the protected categories referred to in (a) above that is not directed at an individual but exists in the workplace and interferes with an individual's ability to do his or her job. Third party harassment based upon any of the aforementioned protected categories is prohibited by this policy.

3. It is a violation of this policy to engage in any employment practice or procedure that treats an individual less favorably based upon any of the protected categories referred to in (a) above. This policy pertains to all employment practices such as recruitment, selection, hiring, training, promotion, advancement appointment, transfer, assignment, layoff, return from layoff, termination, demotion, discipline, compensation, fringe benefits, working conditions, and career development.

(b) It is a violation of this policy to use derogatory or demeaning references regarding a person's race, gender, age, religion, disability, affectional or sexual orientation, ethnic background, or any other protected category set forth in (a) above. A violation of this policy can occur even if there was no intent on the part of an individual to harass or demean another.

1. Examples of behaviors that may constitute a violation of this policy include, but are not limited to:
i. Discriminating against an individual with regard to terms and conditions of employment because of being in one or more of the protected categories referred to in (a) above;

ii. Treating an individual differently because of the individual's race, color, national origin, or other protected category, or because an individual has the physical, cultural, or linguistic characteristics of a racial, religious, or other protected category;

iii. Treating an individual differently because of marriage to, civil union to, domestic partnership with, or association with persons of a racial, religious, or other protected category; or due to the individual's membership in or association with an organization identified with the interests of a certain racial, religious, or other protected category; or because an individual's name, domestic partner's name, or spouse's name is associated with a certain racial, religious, or other protected category;

iv. Calling an individual by an unwanted nickname that refers to one or more of the above protected categories, or telling jokes pertaining to one or more protected categories;

v. Using derogatory references with regard to any of the protected categories in any communication;

vi. Engaging in threatening, intimidating, or hostile acts toward another individual in the workplace because that individual belongs to, or is associated with, any of the protected categories; or
vii. Displaying or distributing material (including electronic communications) in the workplace that contains derogatory or demeaning language or images pertaining to any of the protected categories.

(c) It is a violation of this policy to engage in sexual (or gender-based) harassment of any kind, including hostile work environment harassment, quid pro quo harassment, or same-sex harassment.

1. For the purposes of this policy, sexual harassment is defined, as in the Equal Employment Opportunity Commission Guidelines, as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when, for example:

   i. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;

   ii. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or

   iii. Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

2. Examples of prohibited behaviors that may constitute sexual harassment and are therefore a violation of this policy include, but are not limited to:

   i. Generalized gender-based remarks and comments;
ii. Unwanted physical contact such as intentional touching, grabbing, pinching, brushing against another's body, or impeding or blocking movement;

iii. Verbal, written, or electronic sexually suggestive or obscene comments, jokes, or propositions including letters, notes, e-mail, text messages, invitations, gestures, or inappropriate comments about a person's clothing;

iv. Visual contact, such as leering or staring at another's body; gesturing; displaying sexually suggestive objects, cartoons, posters, magazines, or pictures of scantily-clad individuals; or displaying sexually suggestive material on a bulletin board, on a locker room wall, or on a screensaver;

v. Explicit or implicit suggestions of sex by a supervisor or manager in return for a favorable employment action such as hiring, compensation, promotion, advancement appointment, or retention;

vi. Suggesting or implying that failure to accept a request for a date or sex would result in an adverse employment consequence with respect to any employment practice such as performance evaluation, advancement appointment, or promotional opportunity; or

vii. Continuing to engage in certain behaviors of a sexual nature after an objection has been raised by the target of such inappropriate behavior.
(d) Any employee who believes that she or he has been subjected to any form of prohibited discrimination/harassment, or who witnesses others being subjected to such discrimination/harassment, is encouraged to promptly report the incident(s) to a supervisor or directly to the State agency's Equal Employment Opportunity/Affirmative Action Officer or to any other persons designated by the State agency to receive workplace discrimination complaints. All employees are expected to cooperate with investigations undertaken pursuant to (g) below. Failure to cooperate in an investigation may result in administrative and/or disciplinary action, up to and including termination of employment.

(e) Supervisors shall make every effort to maintain a work environment that is free from any form of prohibited discrimination/harassment. Supervisors shall immediately refer allegations of prohibited discrimination/harassment to the State agency's Equal Employment Opportunity/Affirmative Action Officer, or any other individual designated by the State agency to receive complaints of workplace discrimination/harassment. A supervisor's failure to comply with these requirements may result in administrative and/or disciplinary action, up to and including termination of employment. For purposes of this section and N.J.A.C. 4A:7-3.2, a supervisor is defined broadly to include any manager or other individual who has authority to control the work environment of any other staff member (for example, a project leader).
(f) Each State agency shall annually distribute the policy described in this section, or a summarized notice of it, to all of its employees, including part-time and seasonal employees. The policy, or summarized notice of it, shall also be posted in conspicuous locations throughout the buildings and grounds of each State agency (that is, on bulletin boards or on the State agency's intranet site). The Department of the Treasury shall distribute the policy to Statewide vendors/contractors, whereas each State agency shall distribute the policy to vendors/contractors with whom the State agency has a direct relationship.

(g) Each State agency shall follow the State of New Jersey Model Procedures for Processing Internal Complaints Alleging Discrimination in the Workplace with regard to reporting, investigating, and where appropriate, remediating claims of discrimination/harassment. See N.J.A.C. 4A:7-3.2. Each State agency is responsible for designating an individual or individuals to receive complaints of discrimination/harassment, investigating such complaints, and recommending appropriate remediation of such complaints. In addition to the Equal Employment Opportunity/Affirmative Action Officer, each State agency shall designate an alternate person to receive claims of discrimination/harassment.

1. All investigations of discrimination/harassment claims shall be conducted in a way that respects, to the extent possible, the privacy of all the persons involved. The investigations shall be conducted in a prompt,
thorough, and impartial manner. The results of the investigation shall be forwarded to the respective State agency head to make a final decision as to whether a violation of the policy has been substantiated.

2. Where a violation of this policy is found to have occurred, the State agency shall take prompt and appropriate remedial action to stop the behavior and deter its reoccurrence. The State agency shall also have the authority to take prompt and appropriate remedial action, such as moving two employees apart, before a final determination has been made regarding whether a violation of this policy has occurred.

3. The remedial action taken may include counseling, training, intervention, mediation, and/or the initiation of disciplinary action up to and including termination of employment.

4. Each State agency shall maintain a written record of the discrimination/harassment complaints received. Written records shall be maintained as confidential records to the extent practicable and appropriate.

(h) Retaliation against any employee who alleges that she or he was the victim of discrimination/harassment, provides information in the course of an investigation into claims of discrimination/harassment in the workplace, or opposes a discriminatory practice, is prohibited by this policy. No employee bringing a complaint, providing information for an investigation, or testifying in any proceeding under this policy shall be subjected to adverse employment consequences based upon such involvement or be the subject of other
retaliation. Following are examples of prohibited actions taken against an employee because the employee has engaged in activity protected by this subsection:

1. Termination of an employee;

2. Failing to promote an employee or select an employee for an advancement appointment;

3. Altering an employee's work assignment for reasons other than legitimate business reasons;

4. Imposing or threatening to impose disciplinary action on an employee for reasons other than legitimate business reasons; or

5. Ostracizing an employee (for example, excluding an employee from an activity or privilege offered or provided to all other employees).

(i) An employee who knowingly makes a false accusation of prohibited discrimination/harassment or knowingly provides false information in the course of an investigation of a complaint, may be subjected to administrative and/or disciplinary action, up to and including termination of employment. Complaints made in good faith, however, even if found to be unsubstantiated, shall not be considered a false accusation.

(j) All complaints and investigations shall be handled, to the extent possible, in a manner that will protect the privacy interests of those involved. To the extent practical and appropriate under the circumstances, confidentiality shall be maintained throughout the [investigatory] investigative process. In
the course of an investigation, it may be necessary to discuss the claims with
the person(s) against whom the complaint was filed and other persons who
may have relevant knowledge or who have a legitimate need to know about
the matter. All persons interviewed, including witnesses, shall be directed
not to discuss any aspect of the investigation with others in light of the
important privacy interests of all concerned. Failure to comply with this
confidentiality directive may result in administrative and/or disciplinary
action, up to and including termination of employment.

(k) Any employee found to have violated any portion or portions of this policy
may be subject to appropriate administrative and/or disciplinary action which
may include, but which shall not be limited to: referral for training, referral
for counseling, written or verbal reprimand, suspension, reassignment,
demotion, or termination of employment. Referral to another appropriate
authority for review for possible violation of State and Federal statutes may
also be appropriate.

(l) All State agencies shall provide all new employees with training on the
policy and procedures set forth in this section within a reasonable period of
time after each new employee's appointment date. Refresher training shall be
provided to all employees, including supervisors, within a reasonable period
of time. All State agencies shall also provide supervisors with training on a
regular basis regarding their obligations and duties under the policy and
regarding procedures set forth in this section.
4A:7-3.2 Model procedures for internal complaints alleging discrimination in the workplace

Each State department, commission, State college or university, agency, and authority (hereafter referred to in this section as "State agency") is responsible for implementing this model procedure, completing it to reflect the structure of the organization, and filing a copy of the completed procedure with the [Civil Service Commission,] Division of EEO/AA.

"(a) All employees and applicants for employment have the right and are encouraged to immediately report suspected violations of the State Policy Prohibiting Discrimination in the Workplace, N.J.A.C 4A:7-3.1.

(b) Complaints of prohibited discrimination/harassment can be reported to either (name of Officer), the EEO/AA Officer, or to any supervisory employee of the State agency. Complaints may also be reported to (Authorized Designee).

(c) Every effort should be made to report complaints promptly. Delays in reporting may not only hinder a proper investigation, but may also unnecessarily subject the victim to continued prohibited conduct.

(d) Supervisory employees shall immediately report all alleged violations of the State of New Jersey Policy Prohibiting Discrimination in the Workplace to (Name of Officer), EEO/AA Officer. Such a report shall include both alleged
violations reported to a supervisor, and those alleged violations directly observed by the supervisor.

(e) If reporting a complaint to any of the persons set forth in subsections (a) through (d) above presents a conflict of interest, the complaint may be filed directly with the [Civil Service Commission.] Division of EEO/AA, PO Box 315, Trenton, NJ 08625. An example of such a conflict would be where the individual against whom the complaint is made is involved in the intake, investigative or decision making process.

(f) In order to facilitate a prompt, thorough, and impartial investigation, all complainants are encouraged to submit a Discrimination Complaint Processing Form (DPF-481). An investigation may be conducted whether or not the form is completed.

(g) Each State agency shall maintain a written record of the discrimination/harassment complaints received. Written records shall be maintained as confidential records to the extent practicable and appropriate. A copy of all complaints (regardless of the format in which submitted) must be submitted to the [Civil Service Commission.] Division of EEO/AA, by the State agency's EEO/AA Officer, along with a copy of the acknowledgement letter(s) sent to the person(s) who filed the complaint and, if applicable, the complaint notification letter sent to the person(s) against whom the complaint has been filed. If a written complaint has not been filed, the EEO/AA Officer must submit to the Division of EEO/AA a brief summary of
the allegations that have been made. Copies of complaints filed with the New Jersey Division on Civil Rights, the U.S. Equal Employment Opportunity Commission, or in court also must be submitted to the Division of EEO/AA.

(h) During the initial intake of a complaint, the EEO/AA Officer or authorized designee will obtain information regarding the complaint, and determine if interim corrective measures are necessary to prevent continued violations of the State's Policy Prohibiting Discrimination in the Workplace.

(i) At the EEO/AA Officer's discretion, a prompt, thorough, and impartial investigation into the alleged harassment or discrimination will take place.

(j) An [investigatory] investigative report will be prepared by the EEO/AA Officer or his or her designee when the investigation is completed. The report will include, at a minimum:

1. A summary of the complaint;
2. A summary of the parties' positions;
3. A summary of the facts developed though the investigation; and
4. An analysis of the allegations and the facts. The [investigatory] investigative report will be submitted to (State agency head) who will issue a final letter of determination to the parties.

(k) The (State agency head or designee) will review the [investigatory] investigative report issued by the EEO/AA Officer or authorized designee, and make a determination as to whether the allegation of a violation of the State's Policy Prohibiting Discrimination in the Workplace has been
substantiated. If a violation has occurred, the (State agency head or designee) will determine the appropriate corrective measures necessary to immediately remedy the violation.

(l) The (State agency head or designee) will issue a final letter of determination to both the complainant(s) and the person(s) against whom the complaint was filed, setting forth the results of the investigation and the right of appeal to the [Merit System Board] Civil Service Commission as set forth in subsections (m) and (n) below. To the extent possible, the privacy of all parties involved in the process shall be maintained in the final letter of determination. The Division of EEO/AA[, Civil Service Commission,] shall be furnished with a copy of the final letter of determination.

1. The letter shall include, at a minimum:
   i. A brief summary of the parties' positions;
   ii. A brief summary of the facts developed during the investigation; and
   iii. An explanation of the determination, which shall include whether:

   (1) The allegations were either substantiated or not substantiated; and

   (2) A violation of the Policy Prohibiting Discrimination in the Workplace did or did not occur.
2. The investigation of a complaint shall be completed and a final letter of determination shall be issued no later than 120 days after the initial intake of the complaint referred to in (h) above is completed.

3. The time for completion of the investigation and issuance of the final letter of determination may be extended by the State agency head for up to 60 additional days in cases involving exceptional circumstances. The State agency head shall provide the Division of EEO/AA and all parties with written notice of any extension and shall include in the notice an explanation of the exceptional circumstances supporting the extension.

(m) A complainant who is in the career, unclassified, or senior executive service, or who is an applicant for employment, who disagrees with the determination of the (State agency head or designee), may submit a written appeal, within [twenty] **20** days of the receipt of the final letter of determination from the (State agency head or designee), to the Civil Service Commission, PO Box 312, Trenton, NJ 08625. The appeal shall be in writing and include all materials presented by the complainant at the State agency level, the final letter of determination, the reason for the appeal, and the specific relief requested.

1. Employees filing appeals which raise issues for which there is another specific appeal procedure must utilize those procedures. The Commission may require any appeal, which raises issues of alleged discrimination and other issues, such as examination appeals, to be processed
using the procedures set forth in this section or a combination of procedures as the Commission deems appropriate. See N.J.A.C. 4A:2-1.7.

2. If an appeal under this chapter raises issues concerning the employee not receiving an advancement appointment, the Commission shall decide those issues in the course of its determination.

3. The Civil Service Commission shall decide the appeal on a review of the written record or such other proceeding as it deems appropriate. See N.J.A.C. 4A:2-1.1(d).

4. The appellant shall have the burden of proof in all discrimination appeals brought before the Civil Service Commission.

(n) In a case where a violation has been substantiated, and no disciplinary action recommended, the party(ies) against whom the complaint was filed may appeal the determination to the Civil Service Commission at the address indicated in (m) above within 20 days of receipt of the final letter of determination by the State agency head or designee.

1. The burden of proof shall be on the appellant.

2. The appeal shall be in writing and include the final letter of determination, the reason for the appeal, and the specific relief requested.

3. If disciplinary action has been recommended in the final letter of determination, the party(ies) charged may appeal using the procedures set forth in N.J.A.C. 4A:2-2 and 3.
(o) The Director of the Division of EEO/AA shall be placed on notice of, and given the opportunity to submit comment on, appeals filed with the Civil Service Commission of decisions on discrimination complaints, regardless of whether or not the complaint was initially filed directly with the Director of EEO/AA.

(p) Any employee or applicant for employment can file a complaint directly with external agencies that investigate discrimination/harassment charges in addition to utilizing this internal procedure.
