ENTRY LEVEL FIRE FIGHTER

The most recent Fire Fighter announcement was issued on July 1, 2018 and the application deadline was August 31, 2018. Written examinations were administered between November 17, 2018 and December 8, 2018.

Eligible lists, resulting from the 2018 written examination, were issued on March 22nd, 2019. Test results (written and physical performance) from the 2015 examination cycle will not carry over to the 2019 eligible lists. With the release of the new lists (issued in March 2019), the old eligible lists (issued in 2016) have expired. However, when bona-fide vacancies exist in a jurisdiction, and a certification was granted prior to the issuance of the 2019 eligible lists, candidates may be appointed from the 2016 eligible lists if there is an active certification that has not yet reached its expiration date.

If you pass the written portion of the examination, your name will appear on all list(s) for which you qualify based upon your veteran status, rank (written test score), volunteer points, and residency.

If your rank is high enough on a list, **AND** Fire Fighter vacancies exist in your eligible residency jurisdiction(s), your name may be certified to that jurisdiction's Appointing Authority (AA) for further consideration. Candidates certified from any 2019 eligible list will be required to take and pass the Physical Performance Test (PPT) at the time of certification in order to be considered for appointment. If you took the PPT (passed or failed) from a prior cycle, you will have to take and pass the PPT again for the 2019 list cycle. Therefore, you should go to the New Jersey Civil Service Commission's (CSC) website to review the Physical Fitness Manual and begin preparing for the possibility that you will be scheduled to take the PPT as early as spring of 2019. A link to a video depicting the PPT will be available on the CSC website.

If your name is certified to an AA, a Certification Notice (CN) will be sent to the mailing address you listed on your application. This is why you **MUST** notify the CSC directly if your mailing address changes from the one you entered on your application. If you receive a CN in the mail, you will be given five business days from the notice date to respond in writing to the AA that you are interested, or not interested, in the job. If you do not respond within this timeframe, your name will be removed from the certification and you will no longer be considered for appointment.

After you respond to a CN that you are interested, you will **receive an email from PPTschedule@csc.nj.gov** that will have the Fire Fighter PPT Medical Clearance Form attached. You will be scheduled to take the PPT via **the email address that you used to apply for the written examination**. Once you are scheduled to take the PPT, you must report on your scheduled test date and time, with all required materials. Otherwise you will be removed from **ALL** Fire Fighter eligible lists. Please check your spam folder and/or add the email address **PPTschedule@csc.nj.gov** to your safe-sender list.

This report will be updated as more specific information becomes available.
