Also excluded from the calculation of acquisition cost is the value of services performed by the mortgagor and certain family members to complete the residence ("sweat equity") and the cost of land owned by the mortgagor for at least two years prior to the date construction of the residence began. The information the NJHMFA obtains is only to be used in the processing of my mortgage loan application or in the later re-verification of any of the credit information in the course of an audit or review by the NJHMFA, lender, its agents or later purchasers of the mortgage loan.
