SUB-RECIPIENTS AND VENDORS UNDER GRANTS

Sub-Recipients/Sub-Grantees and Vendors/Contractors

8. **Sub-recipient/Sub-grantee and vendor determinations.** States are required to determine recipient type when sub-granting or contracting using Federal funds. Recipient type includes sub-grantees/sub-recipients, vendors and contractors. OMB Circular A-133 establishes the standards for determining the difference between a sub-grantee and a vendor, based on the substance of the relationship with the State, rather than the form of the agreement.

A recipient is considered a sub-grantee and is subject to OMB Circular A-133 if it meets the following conditions:

- a. Determines who is eligible to receive what Federal financial assistance;
- b. Has its performance measured against whether the objectives of the Federal program are met;
- c. Has responsibility for programmatic decision making;
- d. Has responsibility for adherence to applicable Federal program compliance requirements;
- e. Uses the Federal funds to carry out a program of the organization as compared to providing goods or services for a program of the pass-through entity;

A recipient is considered a vendor and is not subject to OMB Circular A-133 if it meets the following conditions:

- a. Provides the goods and services within normal business operations;
- b. Provides similar goods or services to many different purchasers;
- c. Operates in a competitive environment;
- d. Provides goods or services that are ancillary to the operation of the Federal program;
- e. Is not subject to compliance requirements of the Federal program.

9. No organization may participate in this project in any capacity or be a recipient of Federal funds designated for this project if the organization has been debarred or suspended or otherwise found to be ineligible for participation in Federal assistance programs under Executive Order 12549, "Debarment and Suspension." (See 2 CFR 376.) States must include a similar term and/or condition for all sub-awards or contracts awarded under this program. Prior to issuing subawards or contracts under this grant, the state must consult the ineligible parties list to ensure that organizations under funding consideration are not ineligible. The list is available on the Web at <http://www.epls.gov>.
10. The State is responsible for monitoring grant, sub-grant/sub-recipient and contract supported activities to assure compliance with Federal requirements and that performance goals are being achieved. Grantee monitoring must cover each program, function and activity. (See 45 CFR 92.40.)
11. States are required to advise sub-grantees/sub-recipients of requirements imposed on them by Federal laws, regulations, and the provisions of grant agreements or contracts as well as any supplemental requirements imposed by the State. These include grant administrative requirements and cost principles according to recipient type. For example, nonprofit subrecipients are subject to the cost principles at OMB Circular A-122; educational institution subrecipients are subject to those at OMB Circular A-21; and commercial organization vendors or subcontractors are subject to the cost principles under 48 CFR Part 31. Sub-recipients and sub-grantees are also subject to the provisions of 45 CFR Part 92 and OMB Circular A-133.
12. States must ensure that sub-recipients and sub-grantees expending more than \$500,000 or more in Federal awards during the sub-recipient/sub-grantee's fiscal year have an audit in compliance with the requirements of OMB Circular A-133.

Any funds not liquidated by that date will be recouped by this Department

14. Financial Report

In accordance with the requirements at 45 CFR 92.41, the State is required to file separate annual expenditure reports for each grant received, indicating the amount of Federal funds that have been obligated, liquidated and remain unobligated. Standard OMB Form SF-425 “Federal Financial Report” is used for this purpose.

- a. The State is requested to file these reports electronically through the ACF On-Line Data Collection (OLDC) system. OLDC requires electronic signatures from the appropriate State official. (See Action Transmittal OA-ACF-AT-01-05, issued January 24, 2005.) When electronic reports are completed and submitted, no paper submission is required.

Send an additional copy of each submission to the program office. (See “Important Addresses,” below.)

- b. A “fillable” copy of Form SF-425 is available on the OMB web site at <http://www.whitehouse.gov/omb/grants/sf425.pdf>
- c. Regardless of the method of submission, the State must adhere to the following submission schedule:
 - An interim financial report, covering the current Federal fiscal year, must be submitted no later than December 30 - 90 days following the end of the current Federal fiscal year.
 - In accordance with Federal regulations at 45 CFR 92.23(b), the final financial report, covering the entire obligation and liquidation periods, must be submitted no later than the last day of the liquidation period (i.e., no later than December 30 - 90 days after the last day of the following Federal fiscal year.)
