

TITLE 10. HUMAN SERVICES

CHAPTER 122.

MANUAL OF REQUIREMENTS FOR CHILD CARE
CENTERS

SUBCHAPTER 1. GENERAL PROVISIONS

§ 10:122-1.1 Legal authority

(a) This manual is promulgated pursuant to the Child Care Center Licensing Law, N.J.S.A. 30:5B-1 to 15, supplemented by P.L.1992, c. 95.

(b) Under the laws specified in (a) above, the Department of Children and Families is authorized to:

1. License certain public and private child care centers that are maintained for the care, development or supervision of six or more children under 13 years of age for less than 24 hours a day;

2. Inspect and examine the physical plant or facilities and program of a child care center and inspect all documents, records, files or other data maintained pursuant to the above-referenced law during the center's normal operating hours and without prior notice; and

3. Request the appropriate State and local fire, health and building officials to conduct examinations and inspections to determine a center's compliance with State and local ordinances, codes and regulations. The

inspections shall be conducted and the results reported to the Department within 60 days after the request.

(c) Under the laws specified in (a) above, the Department of Children and Families is authorized to issue a Certificate of Life/Safety Approval to a center that:

1. Operates on a seasonal or short-term basis for eight weeks or less and does not offer a continuous program that extends across the three-year period of licensure; or

2. Was operating on or before May 16, 1984 and was exempt from the licensing provisions because it was operated by an aid society of a properly organized and accredited church.

(d) Centers specified in (c)1 and 2 above are required to comply with the physical facility; life/safety; administration and control of medication; environmental sanitation; supervision, minimum staffing, and discipline requirements; and communicable disease reporting provisions of this manual of requirements. Centers with Certificates of Life/Safety Approval

may secure regular licenses on a voluntary basis as long as they comply with all provisions of this manual of requirements.

(e) To be eligible for a license, a center shall demonstrate to the satisfaction of the Department of Children and Families, or the duly authorized agency, that the center complies with all applicable provisions of this manual.

(f) All applicable requirements shall be met by all child care centers, unless the rules are specified as "for early childhood programs" or "for school-age child care programs."

(g) Responsibility for ensuring that centers comply with the provisions of the laws cited in (a) above and with provisions of this manual is hereby delegated by the Department of Children and Families to the Office of Licensing.

(h) When a person intends to care for six or more children under 13 years of age, he or she shall apply for and secure from the Office of Licensing a license to operate a child care center. Once licensed, the center is subject to all applicable provisions of this manual, even if the number and/or ages of the children

attending the center at a particular time should fall outside the definition of a center, as specified in N.J.A.C. 10:122-1.2(a).

§ 10:122-1.2 Definition of child care center

(a) "Child care center" or "center" means any home or facility, by whatever name known, which is maintained for the care, development, or supervision of six or more children under 13 years of age who attend for less than 24 hours a day.

1. For a facility that is located in a sponsor/sponsor representative's home, the Office of Licensing shall not count the children residing in the sponsor/sponsor representative's home in determining whether the facility is serving the minimum number of children that would require it to be licensed as a center.

2. For a child care center operated by a nonprofit organization in a public school building used as a public school, the center shall not be required to meet the requirements in this manual governing the safety and adequacy of the physical plant or facilities, in keeping with P.L. 2000, c.122 (N.J.S.A. 30:5B-5).

(b) The term, child care center, shall include, but not be limited to, day care centers; drop-in centers; night-time centers; recreation-type centers sponsored and operated by a county or municipal government recreation and/or park department or agency; day nurseries; nursery and play schools, cooperative child centers; centers for children with special needs; centers serving sick children; infant-toddler programs; school-age child care programs; employment-related centers; centers that had been licensed by the Department of Human Services prior to the enactment of the Child Care Center Licensing Act of 1984; and kindergartens that are not an integral part of a private educational institution or system offering elementary education in grades kindergarten through sixth, seventh or eighth.

(c) The term, child care center, shall not include the following programs, since they do not meet the definition of a child care center:

1. A program serving fewer than six children who are below 13 years of age;

2. A program, such as that located in a bowling alley, health spa or other facility, in which:

i. Each child attends on a drop-in basis for no more than two hours; and

ii. The parent of each child attending the program is in the same building, is readily accessible at all times on an on-call basis, and is able to resume control of the child immediately;

3. A child care program operating within a geographic area, enclave or facility that is owned and/or operated by the Federal government;

4. A family day care home that is registered pursuant to the Family Day Care Provider Registration Law, N.J.S.A. 30:5B-16 et seq.;

5. Programs that offer activities for children who attend at their own discretion on an "open door" basis, where there is no agreement, written or implied, between the program and the parent for the program to assume responsibility for the care of the child; and

6. A program offering child care on an ad hoc, sporadic and isolated basis in order to meet an emergency or special need, such as during emergency school closings, conferences or training sessions.

(d) The following programs are exempt from licensure pursuant to the laws specified in N.J.A.C. 10:122-1.1(a):

1. Programs operated by the board of education of a local public school district which is responsible for their implementation and management;

2. Programs operated by, and whose employees are paid by, a private school, which is run solely for educational purposes. Such programs shall include kindergartens, pre-kindergarten programs, or child care centers that are an integral part of a private educational

institution or system providing elementary education in grades kindergarten through sixth, seventh, or eighth;

3. Centers or special classes operated:

(1) Be an integral part of a bona fide church or religion;

(2) Serve only children who are two years of age or older;

(3) Provide a program that is composed primarily of religious instruction in which the curriculum is related to religious themes, stories and/or teachings; and

(4) For children under six years of age, operate and provide religious instruction for not more than two hours on any day; or

ii. For the temporary care of children while persons responsible for such children are attending

religious services. To qualify for an exemption from licensure under this provision, a center or special class must:

(1) Provide care only for the children of participants in religious services that are an integral part of a bona fide church or religion;

(2) Be arranged by and responsible to the church or religion; and

(3) Provide child care only for the duration of time the services are in progress;

4. Programs of specialized activities or instruction for children that are not designed or intended for child care purposes, including, but not limited to: Boy Scouts, Girl Scouts, 4-H Clubs, Junior Achievement, and commercial indoor playground/sports centers where parents remain with pre-school children; and single activity programs, such as: athletics, gymnastics, hobbies, art, music, dance and craft instruction, which are supervised by an adult,

agency or institution. To qualify for an exemption from licensing under this provision, a program must:

- i. Provide activities that are supervised on a full-time basis by an adult; and
- ii. Provide only a single instruction or activity program. For children under six years of age, such single instruction or activity programs shall be limited to not more than two hours on any day;

5. Youth camps required to be licensed under the Youth Camp Safety Act of New Jersey, pursuant to N.J.S.A. 26:12-1 et seq. To qualify for an exemption from licensing under this provision, a program must have a valid and current license as a youth camp, issued by the New Jersey Department of Health. A youth camp sponsor who also operates a child care center shall also secure a license from the Office of Licensing for the center;

6. Regional schools operated by or under contract with the Department of Children and Families. To qualify for an exemption from licensing under this provision, a

center must be operated and funded as a regional school by the Department of Children and Families, pursuant to N.J.S.A. 18A:7B-12; and

7. Privately operated infant and preschool programs that are approved by the Department of Education to provide services exclusively to local school districts for children with disabilities, pursuant to N.J.S.A. 18A:46-1 et seq.

(a) The Office of Licensing shall issue a regular license to a center that has achieved full compliance with all applicable provisions of this manual.

(b) If the Office of Licensing determines that a center is in substantial compliance with, but does not meet all applicable provisions of this manual, and provided that there is no serious or imminent hazard to the health, safety, well-being, and

development of the children, the Office of Licensing shall issue a temporary license to the center and indicate in writing the steps the center must take to secure a regular license. When a center applies for its first license, a temporary license shall not be issued until the center has submitted to the Office of Licensing a satisfactory Certificate of Occupancy and documentation of compliance with State requirements, as specified in N.J.A.C. 10:122-5.1 through 5.5.

(e) The license shall be posted in a prominent location within the center and in each building associated with the center.

(f) A center shall not make claims contrary to its license, either in advertising or in any written or verbal announcement or presentation.

13. Failure to comply with the provisions of P.L. 1998, c.35, which prohibit smoking in child care centers, as specified in N.J.A.C. 10:122-7.7(d).

(b) As long as the Department determines that the children are not at risk and no serious or imminent hazards exist, the Office of Licensing may permit a center that has requested an administrative hearing, as specified in (a) above, to continue to operate until a final decision is rendered as a result of the hearing.

§ 10:122-2.6 Complaints

(a) Whenever the Office of Licensing receives a report questioning the licensing status of a program or center or alleging that a licensed center is violating provisions of this manual, the Office of Licensing shall ensure that the allegation is promptly investigated to determine whether the complaint is substantiated.

2. The center shall ensure that all staff members are trained in the method of keeping track of children.

(b) There shall be a minimum of two staff members accompanying children on any field trip, outing, or special event involving children away from the center, even when the appropriate staff/child ratios allow fewer than two staff members.

i. Only staff members who are at least 14 years of age shall be counted for the staff/child ratio; and

1. The sponsor/sponsor representative and each staff member shall complete a signed consent form provided by the Department that indicates the identifying information necessary to conduct a CARI background check, including the person's name, address, date of birth, sex, race, and Social Security number. Pursuant to the Federal Privacy Act of 1974 (P.L. 93-579), the Department will advise each such person that the

disclosure of his or her Social Security number is voluntary, and that the Social Security number will only be used for the purpose of conducting a CARI background check.

2. If a staff member refuses to consent to a CARI background check, the sponsor/sponsor representative shall immediately terminate the staff member's employment at the center.

3. If the sponsor/sponsor representative refuses to consent to a CARI background check, the Department shall deny the application or suspend, revoke, or refuse to renew the License or Certificate of Life/Safety Approval, as applicable. The sponsor/sponsor representative may appeal the denial, suspension, revocation, or refusal to renew to the Department, as specified in N.J.A.C. 10:122-2.5.

(c) When the sponsor/sponsor representative submits the CARI consent forms to the Department, the sponsor/sponsor representative shall enclose payment of \$ 10.00 for each CARI background check, in the form of a check or money order from the center made payable to "Treasurer, State of New Jersey." The center may use its own discretion in offering to pay or reimburse the staff member for the cost of the CARI background check.

(d) Upon receipt of the completed CARI consent forms and payment from the center, the Department will conduct a search of its records for substantiated incidents of child abuse and/or neglect. The Department will consider incidents of child abuse and/or neglect that were substantiated on or after June 29, 1995, to ensure that the perpetrator has had an opportunity to appeal a substantiated finding of child abuse and/or neglect; except that the Department may consider substantiated incidents prior to that date if the Department, in its judgment, determines that the perpetrator poses a risk of harm to children in a child care center.

(e) Within 45 working days of receipt of the completed CARI consent forms and payment from the center, the Department will inform the sponsor/sponsor representative in writing as to whether a substantiated incident of child abuse and/or neglect by the sponsor/sponsor representative or a staff member has been found. If such an incident has been found, the Department will inform the sponsor/sponsor representative in writing of the name of the perpetrator.

(f) If the CARI background check does not reveal any substantiated incident of child abuse and/or neglect by the sponsor/sponsor representative or a staff member, the Department may issue or renew the regular license or Certificate of Life/Safety Approval, provided that all other applicable requirements of this chapter have been met.

(g) If the CARI background check reveals that an incident of child abuse and/or neglect has been substantiated against a staff member, the sponsor/sponsor representative shall immediately terminate the staff member's employment at the center.

1. The sponsor/sponsor representative shall notify the staff member in writing that the termination of employment is based on a substantiated incident of child abuse and/or neglect.

2. If the incident was substantiated prior to June 29, 1995, the sponsor/sponsor representative shall notify the staff member in writing that the staff member may appeal the termination of employment to the Department.

(h) If the CARI background check reveals that an incident of child abuse and/or neglect has been substantiated against the sponsor/sponsor representative, the Department will deny the application or revoke or refuse to renew the license or Certificate of Life/Safety Approval, as applicable. The sponsor/sponsor representative may appeal the denial, revocation, or non-renewal to the Department, as specified in N.J.A.C. 10:122-2.5.

(i) In keeping with the confidentiality provisions of the State Child Abuse and Neglect Law, N.J.S.A. 9:6-8.10a, the sponsor/sponsor representative and all staff members shall keep all completed CARI consent forms and related correspondence confidential.

1. The center shall maintain the results of the CARI background checks and related correspondence on file in a confidential manner.

shall not disclose to any other person the identity of the perpetrator or any other information concerning the incident.

§ 10:122-4.10 Criminal History Record Information background check procedures

of a crime, as specified in P.L. 2000, c. 77 (N.J.S.A. 30:5B-6.10 to 6.17).

3. If a staff member refuses to consent to a CHRI background check, the sponsor/sponsor representative shall immediately terminate the staff member's employment at the center.

4. If the sponsor/sponsor representative refuses to consent to a CHRI background check, the Department shall deny the application or suspend, revoke, or refuse to renew the license or Certificate of Life/Safety Approval, as applicable. 1. Within two weeks after a new staff member begins working at the center, the sponsor/sponsor representative shall ensure that the new staff member completes the CHRI fingerprinting process specified in (a) above.

2. Until the center receives the results of the CHRI background check from the Department for a new staff member, the center shall ensure that a current staff member is present whenever the new staff member is caring for children at the center.

(c) An individual shall be permanently disqualified from employment at, or ownership or sponsorship of, a child care center if the CHRI background check for the individual reveals a record of conviction for any of the following crimes and offenses:

(e) If the CHRI background check does not reveal any record of conviction by the sponsor/sponsor representative or a staff member, the Department may issue or renew the regular license or Certificate of Life/Safety Approval, provided that all other applicable requirements of this manual have been met.

(f) If the CHRI background check reveals a record of conviction by the sponsor/sponsor representative or a staff member, the Department shall inform the convicted individual of the opportunity to challenge the accuracy of the CHRI.

(k) A center that has received an employment application from an individual or currently employs a staff member shall be immune from liability for acting upon or disclosing information about the staff member's disqualification or termination to another center seeking to employ that person, if the center has:

(a) A person seeking a license or a Certificate of Life/Safety Approval to operate a center shall comply with all applicable

provisions of the New Jersey Uniform Construction Code, as specified in N.J.A.C. 5:23 (hereinafter referred to as the "NJUCC").

1. For newly constructed buildings, for existing buildings whose construction code group classification would change from that which it had been, or for existing buildings that require major alteration or renovation, the center shall obtain a Certificate of Occupancy (CO) issued by the municipality in which it is located, reflecting the center's compliance with the provisions of the NJUCC, and submit a copy of the CO to the Office of Licensing, for one of the following group classifications:

i. E (Educational) for buildings accommodating children $2\frac{1}{2}$ years of age and/or older and having a total occupancy of six or more children;

2. Plan reviews for centers to be located in newly constructed buildings shall be submitted as follows:

i. ii. The sponsor/sponsor representative shall submit to the Office of Licensing revised final architectural drawings containing all Office of Licensing-required items listed in the plan review, if any, and secure final approval from the Office of Licensing prior to beginning construction.

3. For buildings constructed after the adoption of the NJUCC (1977), whose construction code group classification is already E, I-2, I-4, A-3, or A-4, and that have not had major alterations or renovations since receipt of the CO, the center shall obtain the CO issued by the municipality in which it is located at the time the building was originally constructed or approved for use in the NJUCC's E, I-2, I-4, A-3, or A-4 group classification. The center shall submit a copy of the building's CO to the Office of Licensing.

4. For existing buildings whose use prior to the adoption of the NJUCC (before 1977) was and continues to be for a center and that have not had major alterations or renovations, the center shall obtain a Certificate of Continued Occupancy (CCO) issued by the municipality in which it is located, reflecting the building's compliance with provisions of the municipality's construction code requirements that were in effect at the time it was originally constructed or converted for use as a center. The center shall submit a copy of the building's

CCO and the center's current fire safety inspection certificate to the Office of Licensing.

5. The center shall be permitted to obtain a valid fire safety inspection certificate issued by the municipality in which it is located, based on a fire inspection conducted within the preceding 12 months, and submit a copy of the certificate to the Office of Licensing in lieu of a CO or CCO, if the center serves only children 2 1/2 years of age or older and is located in a public school building that is used as a public school.

6. The center shall obtain a new CO issued by the local municipality in which the center is located, and submit a copy to the Office of Licensing, reflecting the building's compliance with provisions of the applicable NJUCC group classification, whenever the center:

- i. Changes the building's use group classification to one other than the one prescribed on its original CO;

ii. Makes a major alteration or renovation, as defined by the NJUCC, of the building or premises in which the center is located;

iii. Increases the floor area or the number of stories to the building or premises in which the center is located; or

iv. Relocates to another site.

7. Whenever a municipality grants to a center a written variation(s) from any of the requirements of the NJUCC, the Office of Licensing may accept such variation(s) as meeting the applicable requirement(s) of this manual.

i. If the Office of Licensing does not accept the variation, the non-acceptance shall be based on the best interests of the children in the center, and shall include consideration for their health and safety.

The non-acceptance shall be based on the requirements of this manual only, and shall not

preclude the municipality from continuing to grant the variation.

ii. If the center disagrees with the Office of Licensing, the center may seek a hearing in accordance with N.J.A.C. 10:122-2.5(a) and the provisions of the Administrative Procedure Act, N.J.S.A. 52:14B-1, as implemented by the Uniform Administrative Procedure Rules, N.J.A.C. 1:1.
