

QUESTIONS AND ANSWERS

2022 RFP: Converting Existing Beds to PCH Services

Questions? Email us anytime at dcf.askrfp@dcf.nj.gov

Contacts: Patti Bowen
Loren LaBadie

1) Are we required to be an approved provider or licensed under DCF and/or CSOC to apply?

Yes. Eligibility is limited to agencies who currently operate a Psychiatric Community Home (PCH), for the purpose of converting existing residential programs in other select Intensities of Service (Group Home, Residential Treatment Center or Specialty Bed Program (SPEC) Program); and have a home available for conversion.

2) For the PCH RFP one of the questions is related to previous RFPs in the past 18 months. The COVID beds were not a part of the traditional RFP process. We operated two contracts for COVID emergency beds. Is that considered via RFP?

No, COVID emergency beds were not contracted through an RFP.

3) Are you considering the recent emergency TH bed transition as a new program or a submitted proposal?

No, the recent emergency treatment home beds were not contracted through an RFP.
