- 
1. **The RFP states that the agency must accept all referrals. Under CSOC, we currently have a 50K weekly payroll for one year would be \$2.6 - what is the anticipated number the division is anticipating in enrollment under this grant? We were thinking about capping our numbers to associate to our request for funds in our proposal.**

The CIACC request for proposal solicits a response to convene a planning body, not to provide direct services.

- 2. We also offer Certified Nurtured Parenting to the Guardians/Parents/Kinship in the CSOC program. Can we offer this program only through the grant? The Evidence based practice NPs offer a 12-week curriculum in parent education and support. Is there room in the grant for a smaller budget and a specialized service?**

The CIACC RFP solicits a response to convene a planning body not to provide direct services. The funds from this grant must only be used to pay for CIACC-related needs or activities that support CIACC deliverables as outlined in the RFP.
