

Today's Speakers

Greg Iorio is a Construction and Space Planning Administrator. He is responsible for all Interior Design and Construction projects at all 3 NJM sites. He has been with NJM for 8 years now. He was involved with the Construction of the Hammonton Facility.

Bob Kettig is currently Bureau Chief of the Bureau of Energy and Sustainability at The New Jersey Department of Environmental Protection. In his 26 years career at NJDEP Bob has Managed The Air Permitting Program, Served as a NJ Representative for The Regional Greenhouse Gas initiative (RGGI) and Supervised the Continuous Emission Monitoring Program in The Bureau of Technical Services.

Patrick Kobol has worked at NJM Insurance Company for more than 26 years. In his current role as Workforce Administrator, and a member of NJM's "Green Team," Mr. Kobol helps manage a number of departments that support the Company's infrastructure and employee services.

Geoffrey M. Goll, P.E., is a founding partner and President of Princeton Hydro, LLC, a water resource consulting firm with offices in New Jersey, Pennsylvania and Connecticut with a total of 48 staff engineers and scientists. He has over 26 years of experience in engineering design. He currently holds professional engineering licenses in seven states, including NJ. Geoff is experienced in stormwater and floodplain management, wetlands mitigation, river restoration, bridge and culvert engineering, coastal protection, and geotechnical engineering. For the NJM project, Geoff was the principal-in-charge for the geotechnical engineering and stormwater management design.

Raghuveer Vinukollu is a Property Reinsurance Underwriter at Swiss Re focusing on Facultative programs. In his previous role as a Flood Specialist at Swiss Re, Raghuveer developed Natural Catastrophe models for River Flood and Storm Surge.

Anne-Marie Peracchio is the Director of Conservation and Clean Energy for New Jersey Natural Gas. She leads company efforts to help customers reduce their energy bills. Anne-Marie also serves on the Board of Trustees for Sustainable Jersey and Lead New Jersey.
