Issue - radio button on Section II - Compliance Certification Statement of the Compliance Certification Report spreadsheet (for Semi-annual Deviation Report and Annual Compliance Certification) is not functioning properly when user opened the spreadsheet on a Windows 7 operating system with Excel 2010.

Solution - when user open the Compliance Certification Report spreadsheet with Excel 2010, a message that says "Security Warning: Macros have been disabled - Enable Content" is displayed. The user has to click on "Enable Content" for the spreadsheet to work properly.
