Dear Ms. Tolmachewich,

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a request for administrative action to the Middlesex County District Solid Waste Management Plan (County Plan) dated February 25, 2020. Administrative Action 001-20 to the County Plan proposes County Plan inclusion of the entire Lot 2B-2 into the County Plan, designate the facility as a multi-class Class B & C recycling center, and to add lake weed to the list of acceptable materials. The capacity of the facility will remain at 1,200 tons per day.

Pursuant to N.J.A.C. 7:26-6.11(b)5, the modification of an existing recycling facility can be accomplished via an administrative action. Therefore, the County Plan inclusion of the entire Lot 2B-2, the designation of a multi-class Class B & C recycling center, and an additional recyclable material accepted at the Yannuzzi Group Inc. Class B & C Recycling Center are hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this matter, please contact Dawn Slawsky of my staff at (609) 292-4393 or by e-mail at dawn.slawsky@dep.nj.gov.

Sincerely,

/signed/
