Dear Ms. Tolmachewich:

The Department of Environmental Protection's Division of Sustainable Waste Management is in receipt of a proposed amendment to the Middlesex County District Solid Waste Management Plan (County Plan) dated May 11, 2022. Administrative Action 004-22 to the County Plan proposes County Plan inclusion of a name change of the Clean Earth Client Service Center intermodal solid waste container facility located at 50 Howard Street (Block 1102, Portion of Lot 51.01) in the Township of Piscataway, to Republic Environmental Systems (Transportation Group), LLC. The above noted change in name will not result in any operational changes at the subject facility.

Pursuant to N.J.A.C. 7:26-6.11(b)14, the inclusion of a change in name of an existing solid waste facility can be accomplished via an administrative action. Therefore, the County Plan inclusion of a change in name of the Clean Earth Client Service Center intermodal solid waste container facility to Republic Environmental Systems (Transportation Group), LLC is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this action, please contact Dawn Slawsky of my staff at (609) 984-4250 or email at dawn.slawsky@dep.nj.gov.

Sincerely,

Jill Aspinwall, Section Chief
Bureau of Planning and Licensing
