Division of Solid Waste Management

East Brunswick, NJ 08816

Dear Ms. Tolmachewich,

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a request for administrative action to the Middlesex County District Solid Waste Management Plan (County Plan) dated June 8, 2021. Administrative Action 003-21 to the County Plan proposes County Plan inclusion of the redesignation of the Township of East Brunswick's Class C recycling center, located on Edgeboro Road (Block 834, Part of Lot 3.05) in the Township of East Brunswick as a multi-class Class B & C recycling center.

There will be no operational changes at the facility. The site is already included in the County Plan to receive, store, process, and transfer brush and tree parts. The capacity for the Class B materials is limited to up to 10 tons per day.

Pursuant to N.J.A.C. 7:26-6.11(b)5, the modification of an existing recycling facility can be accomplished via an administrative action. Therefore, the County Plan inclusion of the redesignation of the Township of East Brunswick's recycling center is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this matter, please contact Dawn Slawsky of my staff by e-mail at [dawn.slawsky@dep.nj.gov](mailto:dawn.slawsky@dep.nj.gov).

Sincerely,

Dana Lawson, Environmental Specialist 4
