Dear Mrs. Sylvester:

The New Jersey Department of Environmental Protection, Division of Sustainable Waste Management is in receipt of a proposed amendment to the Sussex County District Solid Waste Management Plan (County Plan) dated February 21, 2024. This Plan Amendment proposed plan inclusion of Cavalier Environmental Compliance Services, Inc. (CECS), located at 482 Houses Corner Road on Block 16005, Lots 5 & 6 in the Township of Sparta, to accept the intake of Solid Waste Type 13 (tires only) and to accept and process tires in bulk within the Facility's existing intake volume of 400-tpd. The facility currently accepts 124 tons per day of Type 13C solid waste per day and is anticipating an additional 25 tons per day from the proposed tire recycling operation.

Pursuant to N.J.A.C. 7:26-6.11, the application to amend the County Plan can be accomplished via administrative action. Therefore, the County Plan inclusion of Cavalier Environmental Compliance Services, Inc. is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11.

If you have any questions relative to this action, please contact me at (609) 940-5808 or James Pellegrini at James.Pellegrini@dep.nj.gov.

Sincerely,

Jill Aspinwall, Section Chief
Bureau of Solid Waste Planning and Licensing
