Autumn Sylvester, PP, Principal Planner  
County of Sussex  
Department of Engineering and Planning  
Sussex County Administrative Center  
One Spring Street  
Newton, NJ 07860

Dear Ms. Sylvester:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a proposed amendment to the Sussex County District Solid Waste Management Plan (County Plan) dated August 17, 2020. The request proposes to include a modified block and lot designation for the relocation of the Sussex County Municipal Utilities Authority's (SCMUA) exempt Class C Recycling Center located at the SCMUA Solid Waste Facility at 34 South Route 94 in the Township of Lafayette. Due to public health and safety concerns, SCMUA wishes to separate and distance the existing exempt Class C Recycling Center composting and processing area from the public drop-off area to a more desirable location within the SCMUA property. Specifically, the parcels will be modified from Block 14, Lot 38.01 to Block 14, Lot 34.

Pursuant to N.J.A.C. 7:26-6.11(b)14, a modification of the block and lot designation of an existing recycling facility can be accomplished via an administrative action. Therefore, the County Plan inclusion of modified block and lot designation at the SCMUA exempt Class C Recycling Center is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this matter, please contact Dawn Slawsky of my staff at (609) 292-4393 or by e-mail at [dawn.slawsky@dep.nj.gov](mailto:dawn.slawsky@dep.nj.gov).

Sincerely,

Seth Hackman, Section Chief  
Bureau of Planning and Licensing
