(IN THE MATTER OF CERTAIN AMENDMENTS)
 (TO THE ADOPTED AND APPROVED SOLID)
 (WASTE MANAGEMENT PLAN OF THE SALEM)
 (COUNTY SOLID WASTE MANAGEMENT)
 (DISTRICT)

CERTIFICATION OF APPROVAL
 OF THE APRIL 6, 1983 AMENDMENTS
 TO THE SALEM COUNTY DISTRICT
 SOLID WASTE MANAGEMENT PLAN

BY ORDER OF THE COMMISSIONER:

A. Introduction

The New Jersey Solid Waste Management Act (N.J.S.A. 13:1E-1 et seq.) established a comprehensive system for the management of solid waste in New Jersey. The Act designated all twenty-one (21) of the State's Counties, and the Hackensack Meadowlands District, as Solid Waste Management Districts, and mandated that the Boards of Chosen Freeholders and the Hackensack Meadowlands Development Commission develop comprehensive plans for waste management in their respective Districts. On February 11, 1981, the Department approved, with modifications, the Salem County District Solid Waste Management Plan.

The Act requires that all district plans be based on and accompanied by a report detailing the existing waste disposal situation in the district, and a plan which includes the strategy to be followed by the district in meeting the solid waste management needs of the district for the ten-year planning period. The report must detail the current and projected waste generation for the district, inventory and appraise all facilities in the district, and analyze the waste collection and transportation systems which serve the district. The disposal strategy must include the maximum practicable use of resource recovery techniques. In addition to this strategy, the plan must designate sufficient available suitable sites for the disposal of the district's waste for the ten-year period; which sites may be in the district, or if none are available, in another district. (The Act provides procedures for reaching any necessary interdistrict agreements.)

The Act further provides that a district may review its plan at any time, and if found inadequate, a new plan must be adopted. The Salem County Board of Chosen Freeholders completed such a review and on April 6, 1983, adopted Amendments to its approved District Solid Waste Management Plan. The Amendments were received by the Department of Environmental Protection on April 8, 1983 and copies were distributed to various state level agencies for review and comment, as required by law.

The Department has reviewed these Amendments and has determined that the Amendments adopted by the Salem County Board of Chosen Freeholders are approved in accordance with N.J.S.A. 13:1E-24.

B. Certification of Salem County District Solid Waste Management Plan Amendments

I, Robert E. Hughey, Commissioner of the Department of Environmental Protection, in accordance with N.J.S.A. 13:1E-1 et seq. and N.J.S.A. 13:1E-21, which established specific requirements regarding the contents of the District Solid Waste Management Plans, have reviewed the April 6, 1983 Amendments to the approved Salem County District Solid Waste Management Plan and certify to the Salem County Board of Chosen Freeholders that the April 6, 1983 Amendments are judged in compliance with the requirements of N.J.S.A. 13:1E-21 and are hereby made a final approved part of the Salem County District Solid Waste Management Plan.

The inclusion of the Salem County sanitary landfill facility within the Salem County District Solid Waste Management Plan at the site listed below is approved. The construction or operation of this facility shall be preceded by the obtaining of all necessary permits and approvals under N.J.S.A. 13:1E-1 et seq. and all other applicable laws. The Salem County Sanitary Landfill shall be located in Alloway Township on the following Blocks and Lots:

Alloway Township: Block 8, Lots 1, 3, 4, 5, 5A, and 5B

The preferred procurement approach for the implementation of resource recovery in Salem County as stated in the April 6, 1983 Amendments has been reviewed and is approved and made part of the Salem County District Solid Waste Management Plan.

C. Other Provisions Affecting the Plan Amendments

1) Contracts

Any contract renewal or new contract for solid waste collection or disposal which is inconsistent with the within Amendments to the Salem County District Solid Waste Management Plan and which was executed prior to the approval of these Amendments and subsequent to the effective date of the Solid Waste Management Act (July 29, 1977), and which shall further be for a term in excess of one year, shall immediately be renegotiated in order to bring same into conformance with the terms and provisions herein set forth. Any solid waste collection operation or disposal facility registered by the Department of Environmental Protection and operating pursuant to a contract as herein described, shall be deemed to be in violation of these Amendments and of the Salem County District Solid Waste Management Plan if such renegotiation is not completed within ninety (90) days of the effective date of these Amendments; provided, however, that any such registrant may, upon application to the Department of Environmental Protection and for good cause shown, obtain an extension of time to complete such renegotiation.

2) Compliance

~~All solid waste facility operators and collector/haulers registered with the Department of Environmental Protection and operating within Salem County and affected by the Amendments contained herein shall operate in compliance with these Amendments and all other approved provisions of~~

the Salem County District Solid Waste Management Plan. Any facility operator or collector/hauler who fails to comply with the provisions contained herein shall be deemed to be in violation of N.J.S.A. 13:1E-1 et seq., in violation of N.J.A.C. 7:26-1 et seq., and in violation of their registration to operate a solid waste facility or a collection system issued thereunder by the Department of Environmental Protection and shall be subject to the provisions and penalties of N.J.S.A. 13:1E-9, 10, and 12 and all other applicable laws.

3) Types of Solid Wastes Covered by the District Solid Waste Management Plans

The provisions of the Salem County District Solid Waste Management Plan shall apply to all solid wastes defined in N.J.S.A. 13:1E-3 and N.J.A.C. 7:26-2.13 and shall not apply to liquid wastes, sewage sludge, septage, hazardous wastes, oil spill cleanup wastes, and infectious waste.

Also, all non-hazardous materials separated at the point of generation for sale or reuse are excluded from the waste flows designated in the Interdistrict and Intradistrict Solid Waste Flow Rules (N.J.A.C. 7:26-6) which are part of the Salem County District Solid Waste Management Plan.

4) Certification to Proceed with the Implementation of Plan Amendments

This document shall serve as the Certification of the Commissioner of the Department of Environmental Protection to the Salem County Board of Chosen Freeholders, as provided for by N.J.S.A. 13:1E-24f., to proceed with the implementation of the Amendments contained herein.

5) Definitions

For the purpose of these Amendments and unless the context clearly requires a different meaning, the definitions of terms shall be the same as those found at N.J.S.A. 13:1E-3 and N.J.A.C. 7:26-1.4 and -2.13.

6) Effective Date of Amendments

The approved Amendments to the Salem County District Solid Waste Management Plan contained herein shall take effect immediately.

7) Reservation of Authority

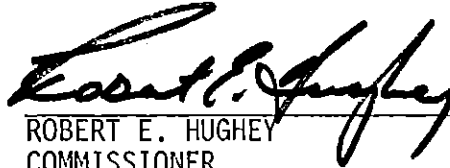

Nothing contained herein shall be construed as a limitation on any other action taken by the Department of Environmental Protection pursuant to its authority under the law. The Salem County District Solid Waste Management Plan, including any Amendments made thereto, shall conform with the Statewide Solid Waste Management Plan. The Department has published a Statewide Solid Waste Management Plan with appendices which includes the Department's Planning Guidelines and rules, regulations, and orders of the Department, including the interdistrict and intradistrict waste flow rules, and also includes the compilation of individual District Plans and Amendments as they are approved.

D. Certification of Approval by the Commissioner of the Department of Environmental Protection

In accordance with the requirements of N.J.S.A. 13:1E-1 et seq., I hereby approve the Amendments, as outlined in Section B of this Certification, to the Salem County District Solid Waste Management Plan which were adopted by the Salem County Board of Chosen Freeholders on April 6, 1983.

EMERGENCY REDIRECTION OF SOLID WASTE FLOW

In accordance with N.J.A.C. 7:26-6.7, ~~an emergency condition exists with the closing~~ of the Q.T. Solid Waste Disposal Area, Inc. (BPU facility #8046, DEP facility #1711B), located in the Township of Quinton. In light of the imminent closure of this facility, waste flows originating from within the Salem County municipalities of Elmer and Woodstown Boroughs, and the Townships of Alloway, Carneys Point, Elsinboro, Lower Alloways Creek, Mannington, Oldmans, Pennsville, Pilesgrove, Pittsgrove, Quinton, and Upper Pittsgrove are redirected, upon closure of the Q.T. Solid Waste Disposal Area, Inc. as follows:

1. All waste types 10, 13, 23, and 25 presently assigned for disposal at the Q.T. Solid Waste Disposal Area, Inc. from the Salem County municipality of Elmer Borough shall be disposed of at the Kinsley's Landfill, Inc., facility number 0802B, located in Deptford Township, Gloucester County, New Jersey.
2. All waste type 25 presently assigned for disposal at the Q.T. Solid Waste Disposal Area, Inc. from the Salem County municipalities of Alloway Township, Carneys Point Township, Oldmans Township, Pennsville Township, Pilesgrove Township, Pittsgrove Township, Upper Pittsgrove Township, and Woodstown Borough shall be disposed of at the Kinsley's Landfill, Inc., facility number 0802B, located in Deptford Township, Gloucester County, New Jersey.
3. All waste type 10 presently assigned for disposal at the Q.T. Solid Waste Disposal Area, Inc. from the Salem County municipalities of Elsinboro Township, Lower Alloways Creek Township, Mannington Township, and Quinton Township, which is collected by Lower Alloways Creek Township under the inter-local municipal refuse collection service agreement, shall be disposed of at the Quinton Township Landfill, facility number 1711A, located in Quinton Township, Salem County, New Jersey.
4. All waste types 13, 23, and 25 presently assigned for disposal at the Q.T. Solid Waste Disposal Area, Inc. from the Salem County municipalities of Elsinboro Township, Lower Alloways Creek Township, Mannington Township, and Quinton Township shall be disposed of at the Kinsley's Landfill, Inc., facility number 0802B, located in Deptford Township, Gloucester County, New Jersey.
5. All municipal, type 10, bulky, type 13, and vegetative, type 23 wastes hauled by residents of Quinton Township shall continue to be disposed of at the Quinton Township Landfill, facility number 1711A, located in Quinton Township, Salem County, New Jersey.
6. All waste type 10 hauled by residents of Lower Alloways Creek Township shall continue to be disposed of at the Lower Alloways Creek Landfill, facility number 1704A, located in Lower Alloways Creek Township, Salem County, New Jersey.

This Emergency Waste Flow Directive shall take effect upon closure of the Q.T. Solid Waste Disposal Area, Inc., and shall remain in effect until the approval, by the Commissioner of the Department of Environmental Protection, of an amendment to the Salem County Solid Waste Management Plan which adopts these or other waste flows, and the subsequent amendment of relevant portions of N.J.A.C. 7:26-6.5(r) pursuant to N.J.A.C. 7:26-6.6 and 7:26-6.7. (Other portions of N.J.A.C. 7:26-6.1 et seq. may require modification if the plan amendment required below involves interdistrict solutions to this situation.) Since it is expected that the duration of this emergency redirection will be greater than 180 days, and in accordance with N.J.A.C. 7:26-6.7(b)3, the Salem County Board of Chosen Freeholders is directed to adopt an amendment to the County's Solid Waste Management Plan. The amendment will either incorporate these emergency or other waste flows and shall be submitted to the Department within 90 days of the date of this Directive. Furthermore, the Boards of Chosen Freeholders of the Counties of Salem and Gloucester are directed to reach an interdistrict agreement consistent with this redirection of waste flows or any alternatives, to the extent that they rely on disposal facilities in Gloucester County.

Notice: All solid waste collector/haulers and/or facility operators licensed by the Board of Public Utilities and/or registered with the Department of Environmental Protection and operating within the Counties of Gloucester and Salem shall operate in compliance with this Emergency Waste Flow Directive and all other approved provisions of the Statewide and District Solid Waste Management Plans. Any collector/hauler who fails to comply with the provisions contained herein shall be deemed to be in violation of N.J.S.A. 48:13A-1 et seq., in violation of N.J.S.A. 13:1E-1 et seq., in violation of N.J.A.C. 7:26-1 et seq., and shall be subject to the provisions and penalties of these and all other applicable laws and regulations.
