JUN 12 2012

Dear Ms: Williams:

On May 24, 2012 the Department of Environmental Protection's Solid and Hazardous Waste Program received a request for an administrative action to modify the Salem County District Solid Waste Management Plan (County Plan). This request for administrative action to the County Plan proposes County Plan inclusion of the addition of Block 60, Lot 7 at the South Jersey Agricultural Products, Inc. Class B Recycling Center located at Block 60, Lot 11 in Upper Pittsgrove Township. The additional lot will be used for a storm water management area, additional buffer, additional processing of recyclable materials as well as leaf composting under exempt activities provisions.

Pursuant to N.J.A.C. 7:26-6.11 (b) 5, the modification of an existing facility can be accomplished via an administrative action. Therefore, this administrative action is hereby approved pursuant to N.J.A.C. 7:26-6.11(f).

Please be advised that this administrative action approval shall not be construed as an expression of the Department's intent to issue a permit modification to the subject facility for the above noted operational changes.

If you have any questions relative to this action, please contact Najwa N. Ali of my staff at (609) 984-9773 or at [najwa.ali@dep.state.nj.us](mailto:najwa.ali@dep.state.nj.us).

Sincerely,

Robert Goodwin, Supervising Environmental Specialist
