CHAPTER 26. SOLID WASTE  
SUBCHAPTER 16A. SPECIAL RULES FOR SUBMISSION OF DISCLOSURE STATEMENTS BY EXISTING  
LICENSEES AND APPLICANTS WHOSE APPLICATIONS WERE PENDING BEFORE THE DEPARTMENT  
PRIOR TO JULY 2, 1984

*N.J.A.C. 7:26-16A.1 (2009)*

§ 7:26-16A.1 Scope and applicability; conflicts

- (a) This subchapter is intended to provide for orderly and timely filing of disclosure statements by existing permittees or licensees.
- (b) Except where the context would require otherwise, the provisions of N.J.A.C. 7:26-16 are applicable to this subchapter.
- (c) In case of any conflict between a provision of this subchapter and any other provision of this chapter, the provision of this subchapter shall govern.
- (d) The Commissioner or Director may relax the application of any part of this subchapter if necessary to prevent unreasonable delay in the processing of any application that was pending before the Department prior to July 2, 1984.

7:26-16A.2 Schedule for submitting disclosure statements

- (a) All persons who had received a license from the Department prior to July 2, 1984 shall submit a disclosure statement to the Department and the Attorney General on or before May 1, 1987. Disclosure statements shall be submitted according to the procedures and requirements set forth in *N.J.A.C. 7:26-16.3* and *16.4*.
- (b) A person shall be deemed to have "received a license" if he had received from the Department final approval to operate a solid or hazardous waste collector-hauler business or treatment, storage or disposal facility, or was actually operating pursuant to any authorization equivalent to an approved registration, such as a temporary operating authorization, judicial order or administrative consent order, or the authorization conferred by "existing facility" status pursuant to N.J.A.C. 7:26-12.3.
- (c) The Department may require any applicant, permittee or licensee to submit a disclosure statement prior to May 1, 1987 on demand upon 90 days notice in writing.
- (d) Any permittee or licensee may voluntarily submit a disclosure statement earlier than demanded.
- (e) The applicant, permittee or licensee shall have 90 days from the time of receipt of the demand to file a disclosure statement with the Department and the Attorney General. Refusal to file the disclosure statement shall be deemed a refusal to comply under N.J.S.A. 13:1E-128b and *N.J.A.C. 7:26-16.7*.
- (f) Any licensee who has not received a written demand to file a disclosure statement by February 1, 1987 shall file a disclosure statement on or before May 1, 1987.

7:26-16A.3 Applications pending on July 2, 1984

- (a) Persons with applications pending before the Department on the effective date of these rules (July 2, 1984) shall submit a disclosure statement to the Department and the Attorney General no later than September 30, 1984.
- (b) It is the Department's intention that applicants whose applications were pending before the department prior to the proposal date of subchapter 16 (May 7, 1984) shall have the licensing process delayed as little as possible by reason of the new licensing requirements imposed by L. 1983, c.392. When it finds that it is in the public interest to do so, or to prevent unreasonable economic hardship, the Department may conditionally issue a license to an applicant whose application was pending on May 7, 1984 before it has received a full investigative report from the Attorney General, provided that:

1. The disclosure statement has been filed, and a preliminary review by the Department indicates no reason for disqualification;

2. The Attorney General has conducted a check of applicable criminal history information and reported to the Department that such check indicates no reason for disqualification; and

3. The applicant has signed a statement indicating its understanding that its license may be revoked if the full investigative report or subsequent investigation indicate reasons for disqualification.

(c) Applicants who filed their applications after May 7, 1984 may not be issued licenses until completion of the investigative report. However, the Department will attempt to expedite processing of such applications by requesting the Attorney General to accord highest priority to completing investigative reports on applicants whose applications are pending before the Department prior to July 2, 1984. Also, in appropriate cases, the Department will continue technical review of such applications concurrent with the disclosure statement review and investigative report.
