Upcoming FREE Underground Storage Tank Compliance Assistance Seminar

Who would benefit from attending this compliance assistance event?

This training is designed to provide regulatory compliance information to Owners and Operators of regulated Underground Storage Tanks (USTs) in New Jersey.

Seminar Description:

The NJDEP UST Compliance and Enforcement Program will be presenting this seminar to provide Owners and Operators of regulated Underground Storage Tanks (USTs) in New Jersey and other interested parties with compliance assistance on the following topics:

- UST Registration
- UST Regulatory Compliance
- Air Permitting
- Weights and Measures
- Small Business Compliance Assistance
- Updates on UST Regulations
- Updates on Operator Training

Please bring your UST registration number and your questions. We will have computers available for live help to check on UST registration status, air permits, and other registration information contained with the Department's database.

When and where is this compliance assistance event taking place?

The Department is offering this FREE seminar on May 14, 2013 at:

New Jersey Forensic Science Technology Center
1200 Negron Drive, Hamilton, NJ
