## How and when are winners selected?

Groups of reviewers comprising professionals from the DEP will evaluate the applications. Each of the five judging criteria has an associated point value. The point values and criteria for each category can be viewed at [www.nj.gov/dep/awards/18/app.pdf](http://www.nj.gov/dep/awards/18/app.pdf)

The total number of points possible for each application is 100. Applications will only be scored on the responses to the five judging criteria (one page per criteria). A maximum of three additional pages of supporting materials such as articles, letters, diagrams, maps and photos will be accepted. The application and supporting materials cannot exceed nine pages (includes cover form).

Award winners will be honored at a luncheon in December in Trenton or elsewhere in Mercer County.
