Purple text indicates an important note.

- Special areas include federal military installations, certain state and county parks and national wildlife refuges where hunter access is controlled.
- All state game laws and regulations apply to Special Areas.
- Only ONE antlered deer may be taken per permit season, statewide, regardless of the number of permits possessed.
- Due to homeland security measures and military actions, NJ Division of Fish and Wildlife cannot guarantee all military installations will be available or open to hunting throughout each deer season. Hunters are reminded that Fish and Wildlife has a “no refund – no exchange” policy for deer permits.
