

Deer Season Permits

PERMIT INFORMATION

Regulations in red are new this year.

PERMIT HUNTING SEASONS play a major role in Fish and Wildlife's deer management program. The three permit seasons provide a means to control hunting pressure, and thereby the harvest, in each deer management zone to meet specific deer management objectives. With the additional harvest and recreational opportunity these seasons provide, an additional fee is charged for each permit.

Apprentice License Holders!

All hunting permit requirements and regulations apply to Apprentice License holders.

Farmer deer permit information is detailed in the **Farmer Hunting Information** section beginning on page 30. Farmers purchasing non-farmer permits should also read this deer season permit section, below.

For application and purchasing procedures, see **Permits for Hunters and Trappers**, page 11.

- ♦ A permit is required to hunt during the Permit Bow, Permit Muzzleloader and Permit Shotgun deer seasons.
- ♦ The zone-specific deer permit is valid **only** for hunting antlerless deer. **To take an antlered buck during any permit season, hunters must purchase one Antlered Buck Permit. An Antlered Buck Permit is not zone-specific but is valid only when used in conjunction with a zone-specific deer permit.**

- ♦ Hunters are still limited to purchasing one Antlered Buck Permit *per permit season* (i.e., one Antlered Buck Bow Permit, one Antlered Buck Shotgun Permit and one Antlered Buck Muzzleloader Permit). **Buck permits are valid in any zone for which the hunter has a valid antlerless zone-specific permit.**
- ♦ **Note: Only one deer at a time may be taken during any permit season even if you possess both an antlered and antlerless permit, except in those zones in Regulation Sets 6, 7 and 8 where two deer at a time may be harvested during the Permit Bow, Permit Shotgun and Permit Muzzleloader seasons.**
- ♦ Antlerless deer permits are zone-specific and are valid for the duration of the specified zone's permit season, including when that season extends into the 2020 calendar year. Hunters are still limited to purchasing one zone-specific permit per zone per permit season. Example: If you hunt only Zone 19, you may purchase only one muzzleloader, one bow and one shotgun antlerless permit for Zone 19. If you hunt in more than one zone you may purchase one muzzleloader, one bow and one shotgun permit for each zone.
- ♦ Regardless of the number of zone-specific antlerless permits in possession, **hunters are limited to taking one buck during each of the permit seasons ONLY after first purchasing a Buck Permit for that season.** (See *Deer Hunting Regulations, Licenses and Permits* for details, page 33.)

- ♦ A resident, non-resident or youth hunting license is a prerequisite to purchase a deer permit. See pages 1 and 11 for hunting license information.
- ♦ Muzzleloader season permits are not valid unless accompanied by both a valid Rifle Permit and a Firearm or All-around Sportsman License while hunting.
- ♦ Permits are valid only for the season and zone indicated, are **non-transferable** and **non-refundable**.
- ♦ **It is illegal to use a permit for a zone, season or hunter other than those named on the permit. Deer permit violations are subject to a fine of \$100–\$1,000 for each offense.**
- ♦ The cost per permit [both the Antlerless (zone-specific) Deer Permit or Antlered Buck Permit] is \$28 for each adult and \$12 for each youth permit.

Permits Available at Participating License Agents (Except Special Areas Zones)

- ♦ The following deer management zones have permit quotas that far exceed hunter demand: Zones 1–19, 21–31, 34–36, 41–43, 45–51, 55, 63, 65, 67 and 68. These permits are available on a first come, first served basis. In the unlikely event that sales reach the permit quota for a specific zone and season combination, those permit sales will end.

Planning Ahead?

Next year's 2020 Six-day Firearm Deer Season is Dec. 7–12, 2020.

Antlered Buck Permit Deadlines!

Antlered Buck Permits may be purchased only after, or in conjunction with, purchasing a zone-specific antlerless permit. Purchase a Buck Permit in one of the following ways:

1. Purchase by the opening day of each permit season OR,
2. Purchase at the same time as your first zone-specific antlerless permit for each season.

Permit sales begin MONDAY, Sept. 9, 2019 at 10:00 a.m. and must be purchased either by 11:59 p.m. on the first day of each permit season as follows:

- Antlered Buck Permits for the Permit Bow Season **must be purchased by Oct. 26** at 11:59 p.m.
- Antlered Buck Permits for the Permit Muzzleloader Season **must be purchased by Nov. 25** at 11:59 p.m.
- Antlered Buck Permits for the Permit Shotgun Season **must be purchased by Dec. 18** at 11:59 p.m.
- Or, for hunters who do not purchase a deer permit until after the season opens, an Antlered Buck Permit **may be purchased only with** the initial antlerless zone-specific permit. There will be no other chance to purchase an Antlered Buck Permit.
- There are **NO EXCEPTIONS**.

Hunter, Trapper Surveys

We may contact you by mail, email or telephone using the information you provide when you purchase a license or permit. In all cases, the Division ensures that your personal information and legal rights to confidentiality are protected.
