Our goal at Range 129 is to educate the public and avid sportsman on the necessary rights and responsibilities that accompany firearm ownership and use. We pride ourselves here at Range 129 by employing current and retired Law Enforcement and Military Officials.

We will continually work to address the responsibilities, rights, and needs of hunters. We will continue to refine our programs, institute new ones, and help others in the shooting sports community meet the demands of changing times.

Our pistol bays are climate controlled yearly, where as our rifle bay is a complete purge system. All of our bays are equipped with state of the art targetry retrieval systems, even in the 100 yard rifle range!

Our climate controlled indoor archery range and 70 yard outdoor range, coming September 2019, will challenge archers of all ages and skill levels for their target and hunting practice needs. Our full service archery pro shop includes Elite, Diamond, Mission and Mathews Bows just to name a few.

Our showroom offers customers a chance to shop for firearms, ammunition, longbow, recurve, compound, crossbow, apparel and accessories to complete your shooting experience.
