**Due to COVID-19, wildlife rehabilitation facilities may be operating with limited volunteers and/or limited capacity for wildlife intake. It is important that you speak to someone at a facility before bringing an animal there. Appointments may be required. Temporary changes to the list have been noted below.

It is illegal to possess wildlife in New Jersey without a permit. Injured, orphaned, or ill wildlife must be taken directly to a permitted wildlife rehabilitator and cannot be kept or cared for by any individual who does not possess a valid NJ wildlife rehabilitation permit. Please refer to the following list of permitted wildlife rehabilitators sorted by county.
