# Green Building Expo<sup>2</sup>

Keynote Address by **Marty Johnson**

President and Founder of Isles, Inc.

**Saturday, March 14, 2009**  
**from 10:00 am to 4:00 pm**

Irwin Dining Center, The Lawrenceville School off Route 206

Add a room, handle repairs, paint or refinish any surface, do ordinary maintenance, and save money. Discuss your needs and plans (with no obligation) with architects, designers, builders, home repair specialists, hardware vendors, and more at this day-long event.

This event is for you regardless of your skill or experience. The day will kick off with a keynote presentation. Other presenters on topics including energy use, green building, landscaping, and more will follow. Exhibitor displays open all day.

No reservations – just come. Bring friends and neighbors.
