# Home Grown Tree Program

## Seedling Packets

- Order early (November - March) to ensure availability for spring delivery.
- Packets are available for shipping from April - May.
- Please call the nursery at (732) 928-0029 with any questions.
- You will receive three tree species per packet, 30 trees total.
- The nursery will choose species in the packets based on availability.

### **WATERSHED PACKET** \_\_\_\_\_

These species like moist soils and prevent runoff.
