

>> HACKLEBARNEY STATE PARK <<

CHOOSE YOUR OWN ADVENTURE

NEW TRAFFIC PATTERN:

We are not out of the woods yet with the COVID-19 pandemic. Help everyone keep each other **safe and healthy** by all walking in the **same direction** on the trail to maximize social distancing.

PLEASE CHOOSE a loop to hike based on the distance that is right for you.

BEGIN: All loops begin by making a LEFT on the Red Trail and hiking down the stone stairs, built in the 1930's by the CCC

RIGHT is RIGHT: Make right turns until you reach the main White Trail to ensure that you are going with the flow and in the right direction.

END: The White Trail will bring you back to this very spot and to the parking lot. If you wish to explore more of Hacklebarney State Park just return to the beginning and begin again!

PS: Woodsy Owl would like to remind you to “**Give a hoot and don't pollute!**” Carry-in and carry-out all items (yes, this includes dog poop).

<< Happy adventures, be safe, & thank you >>
