**All Events Meet in the Round Valley Recreation Area
South Parking Lot (first right after the toll booth)
To Register call the Park Office 908-236-6355**

Saturday, October 27 Halloween Fall Foliage

10 A.M. to 11:30 A.M.

Tough to tell when the leaves will turn this strange season, but we'll try to catch good color. Find out why some trees go minimal for winter while others remain unchanged. We'll also tell a Round Valley Halloween story or two.

\$3.00 for ages 12 and up, \$1.00 for ages 6 to 11

Saturday, December 8 Round Valley Rocks

10 A.M. to Noon

See and learn why Round Valley's geology is special. Take a short hike on two of our trails, see and feel the rocks and learn how they made our world. Maybe find a piece of iron ore from our long gone mine. Bring a compass if you have one.

\$3.00 for ages 12 and up, \$1.00 for ages 6 to 11

Friday, November 23 Full Moon Hike

5:00 to 6:30 P.M.

There's a moon out tonight. Experience the Beaver Full Moon under lunar light during our short hike, with ample time for pictures and listening for a possible owl. You can bring flashlights, but please use them only in the event of emergency.

\$3.00 for ages 12 and up,
\$1.00 for ages 6 to 11

Tuesday, January 1 New Year's Walk

10 A.M. to Noon

Note: Whatever you did the night before, this is your chance to get outdoors in New Jersey and start 2019 off on the right foot. We'll hike either The Cushetunk or Water Trail and look for the wildlife that that endure our shortest days.

No fee to participate

Saturday, February 2 Groundhog Hike - You Might See Your Shadow!

10 A.M. to Noon

Yes, we have them, and no, we won't see them. Winter's grasp is lightening a bit, though, as days lengthen. Winter hiking brings solitude and quiet beauty, but it has its dangers. Learn the do's and don'ts of winter hiking. If snow covered, bring snow shoes. To help your local birds make the end of winter, we'll give a log feeder to each family.

\$3.00 for ages 12 and up, \$1.00 for ages 6 to 11

Saint Patrick's Day! Saturday, March 17 Here comes the Sun!

10 A.M. to Noon

St. Patrick is celebrated more in hiking than in green beer. We'll do a short hike and look for signs of the Spring that is just days away. Nothing says Spring better than returning bluebirds. We'll assemble bluebird houses after the hike so that you can invite these messengers of Spring to nest close by.

NOTE: Must register for the bluebird house part of this event since supplies are limited.

\$3.00 for ages 12 and up, \$1.00 for ages 6 to 11
