Municipal Statements of Intent

Multi-Jurisdictional Flood Mitigation Plan for the Non-Tidal N.J. Section of the Delaware River Basin

Statement of Intent

Township of Ewing.
Municipality

MERCER.
County

We intend to participate in the multi-jurisdictional flood mitigation planning process and have reviewed the list of responsibilities required of participating municipalities.

We **do not** intend to participate in the multi-jurisdictional flood mitigation planning process. Furthermore, we understand that we will not be eligible for future federal flood mitigation assistance funds. We also understand that we will miss this unique opportunity to develop a regional flood mitigation plan which, with an additional measure of municipal effort and assistance by NJOEM, can be transformed into an All Hazards Mitigation Plan.

for the Non-Tidal N.J. Section of the Delaware River Basin**

Statement of Intent

FRELINGHOYSEN

Municipality

WARREN

County

We intend to participate in the multi-jurisdictional flood mitigation planning process and have reviewed the list of responsibilities required of participating municipalities.

We **do not** intend to participate in the multi-jurisdictional flood mitigation planning process. Furthermore, we understand that we will not be eligible for future federal flood mitigation assistance funds. We also understand that we will miss this unique opportunity to develop a regional flood mitigation plan which, with an additional measure of municipal effort and assistance by NJOEM, can be transformed into an All Hazards Mitigation Plan.
