

NO. 99-22

A Resolution concerning Resolution No. 99-18 and providing for its termination.

WHEREAS, the Commission on August 18, 1999 adopted Resolution No. 99-18 (“the resolution”) to support the drought warning and emergency programs of the four basin states and to take certain emergency actions to preserve and protect water supplies in the basin; and

WHEREAS, hydrologic conditions in the basin have improved since the adoption of the resolution; and

WHEREAS, the Commission deems it in the public interest to terminate the resolution as provided therein; now therefore,

BE IT RESOLVED by the Delaware River Basin Commission:

1. Except as hereinafter provided, Resolution No. 99-18 is terminated.
2. All residents of the basin, consistent with the drought and emergency programs of the basin states, are urged to continue to conserve water to the extent possible to preserve and protect the basin’s water supplies.
