Withdrawal of Pending Application

Dear Mr. Tambini:

On January 30, 2020, PennEast Pipeline Company, LLC (“PennEast”) filed with the Federal Energy Regulatory Commission (“FERC”) (Docket Number CP15-558-000, *et al.*) a proposed amendment to the January 19, 2018 Certificate Order issued to PennEast, which addresses among other things alternatives for water withdrawals and discharge. PennEast respectfully withdraws its February 5, 2016 Water Withdrawal and Discharge Application (D-2016-001-1) in its entirety from consideration by the Delaware River Basin Commission.

Please contact me with any questions.

Respectfully submitted,
